Cpt. Friedlein,

Our office would recommend updating the file, and providing the "credit application". However, we recommend limiting the information to basic information necessary to update only. As such, we would suggest not including any Bank Reference Information, or Personal Guarantee (information). The application would have to be placed on the Commissioner's Court Agenda for approval, with authorization for the Sheriff to execute, if he so chooses.

Please let me know if you have any questions or concerns.

Respectfully,

Victor M. Garza

Good morning. Attached is a document from a current vendor. They contacted us to say they want to “update our file” by having us fill out a credit application. I was hoping you can give us your opinion on the matter.

Thanks,
David
