Good morning Eddie,

Attached please find the Supplemental Agreement that our legal counsel is proposing to add the provisions you are requesting to the Contract for CEI Services, in addition to a few others that were not included.

Please review and let me know if this will address your concerns.

Respectfully,

Erika,

Has this been resolved? I had sent the general provisions of a contract. Let me know where the county is at.

Thanks.

See attached example. Note that it does not have to be exact. The county has its own but the contract needs to include what the CFR requires.
