Reference: Canine Donation

Honorable Constable Gaitan,

I would like to donate to the Hidalgo County Constable Precinct 4 Office a Canine from the Kreative Kennel, Miho. Miho is a 4-year-old Shepherd bred for police work. The reason I am donating Miho is because, I truly believe and support your efforts to maintaining our Precinct safe.

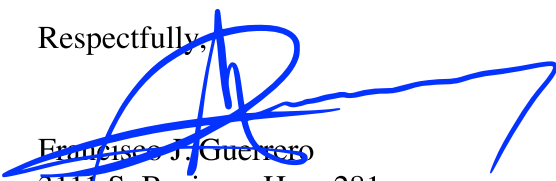

I believe Miho will be an asset to your Office and will be an added tool to assist your Deputies in performing police functions.

Miho is valued at approximately \$6,500.00 and has been totally paid for from Kreative Kennels in San Francisco, California.

I do respectfully request and if acceptable to you, that Miho be returned to me upon retirement, separation, impending medical conditions, disbanding of K9 unit, or any separation from the Constable's Office, for Miho to please be returned to me for safe care.

If I may be of further service, please do not hesitate to contact me; my cellular is 956-793-4807.

Respectfully,

Francisco J. Guerrero
