**Please read this entire message carefully and make note of the information provided below that failure by IGT entities and providers to submit the required forms may result in a delayed payment for the providers.**

HHSC is providing notice to IGT for the DY8 Advance UC Payment.

Dates pertinent to this payment:

2/01/19	Last day to submit your IGT into TexNet
2/04/19	IGT Settlement date
2/15/19	Pay Transferring Hospitals, i.e. Large public hospitals, as defined in 1 Tex. Admin. Code §355.8201(b)(14)
2/28/19	All UC Providers paid

Attached to this email are the following documents:

- DY8 UC Advance Payment Calculation spreadsheet
- Master Affiliation as of 01\_18\_19 for Publication spreadsheet
- DY8 UC Allocation Form

HHSC has reduced the percentage historically used for advance UC payments to minimize the potential for overpayments. State hospitals will only IGT for this payment; no advance UC payments will be swept to GR.

The amount that needs to be submitted into TexNet for all entities is in **Column J while the corresponding payment amount is in column I**. Please ensure you select the applicable UC bucket in TexNet when you enter your IGT. It is imperative that you send a screen shot/PDF copy of the confirmation/trace sheet from TexNet or an email with the trace number, location number, IGT amount and settlement date, if the TexNet is submitted over the phone, to [RAD UC Payments@hsc.state.tx.us](mailto:RAD_UC_Payments@hsc.state.tx.us). Additionally, you must submit the IGT allocation form. Please include two contacts and their phone numbers and email addresses, should HHSC have any questions regarding the TexNet received.

Government Entities that are IGT'ing for multiple providers may submit one lump sum IGT for their affiliates. All IGTs, even for entities submitting IGT for themselves, must complete and submit the attached allocation form. If a Trace Sheet is received without an IGT allocation form HHSC will allocate the IGT received in accordance with 1 Tex. Admin. Code §355.8201(h)(ii). In the absence of the notification described in 1 Tex. Admin. Code §355.8201(h)(i), each hospital owned by or affiliated with the governmental entity will receive a portion of its payment amount for that period, based on the hospital's percentage of the total payment amounts for all hospitals owned by or affiliated with that governmental entity.

In accordance with 1 Tex. Admin. Code §355.8201(h)(ii)(C), if a government entity transfers more than the maximum IGT amount that can be provided for that hospital, and that hospital is affiliated with multiple governmental entities, then HHSC will calculate the amount of IGT funds necessary to fund the hospital's payment and HHSC

will issue a pro-rata refund to the governmental entity/entities identified by HHSC. HHSC will determine the pro-rata refund, not the government entity/entities or their representative(s).

If you have questions regarding the UC payment process, please send an email to [RAD\\_UC\\_Payments@hhsc.state.tx.us](mailto:RAD_UC_Payments@hhsc.state.tx.us).

If you have questions regarding the payment calculation file, please send an email to [uctools@hhsc.state.tx.us](mailto:uctools@hhsc.state.tx.us)
