MEMORANDUM

“SOLE SOURCE DECLARATION”

To: Hidalgo County Commissioners Court

From: Martha L. Salazar
Hidalgo County Purchasing Agent

Date: November 6, 2007

Re: “Sole Source Declaration” – PJ Technologies, Inc.

Due to changing technology, it is most advantageous for the Information Technology Department to enhance this department's productivity. Hidalgo County (IT) Information Technology Department requires the use of PJ Goverlan Remote Administrative Software. This software would enable the department to troubleshoot and correct computers remotely and cut down on travel time. The PJ Technologies, Inc. is the “sole manufacturer” for this software”. Other vendors were contacted to solicit quotes but we advised PJ Technologies is the “sole source” for this software.

Therefore, the Information Technology Department requires the purchase of this software from The PJ Technologies, Inc.

Hey Stan,

I'm sorry but Goverlan is made by PJ Technoloies, which we don't sell. I won't be able to quote this. We might have an alternative solution, but I wouldn't be able to get more info until Monday as I'm out tomorrow and Friday.

Otherwise, I apologize, but please continue to utilize me for anything else you might need a quote on.
