Good morning Ms. Velasquez,

As requested, this office has reviewed the First Amendment to the COBRA agreement between the County and Connectyourcare LLC, and **approve it as to form with the inclusion of the following recommended modifications:**

1. The original agreement is called a CONTINUATION COVERAGE SERVICES AGREEMENT and the amendment calls the agreement an ADMINISTRATIVE SERVICES AGREEMENT. In an effort to maintain consistency, it is recommended to change the title of the amendment to CONTINUATION COVERAGE SERVICE AGREEMENT.
2. Add the standard DA's office - Approved as to Form signature line at the end.
