7. H & V Equipment Services Adrian Olvera Alovera@hvequipment.com	5637 E. Hwy 281 Progreso, Texas 78579 956-565-3788	Ana – referred to sales person at PCT 1 – David Gray (956) 239-6146 Chose to decline to quote any other equipment that could possibly get the job done. Wheel loader far more versatile than the Peterbilt 348 Builtrite Grapple. It'll depend on the application, but we don't carry what you're asking for. To dispose of brush, David highly recommends an air burner v. a wood chipper. They're getting away from wood chipper as it's too time costly and labor intensive; with air burner = ash = cut down ~80% cost.
