- c) Overtime for non-exempt administrative personnel supporting border security grants.
- d) Overtime for law enforcement support and administrative personnel should be limited and anything greater than 10% may not be funded or may require significant additional data and justification.
- e) Applicants must provide a copy of the local overtime policy as approved by its governing board. This policy will be considered the official policy for grant purposes and must be used throughout the grant period. The policy must:
  - i. Clearly describe how overtime will be calculated;
  - ii. Be consistent with the agency's local overtime policy;
  - iii. Treat overtime for grant-paid personnel the same as non-grant paid personnel.
- f) Project Overtime (OT) shall be reimbursed following the grantee's overtime policy and the requirements as stated below:
  - i. OT is time actually worked that exceeds the required number of hours during an employee's designated work period, as per grantee's policies and procedures.
  - ii. OT must be worked to support border security operations.
  - iii. The project OT rate shall be no more than one-and-one-half (1.5) times the employee's regular pay rate.
  - iv. Exempt salaried employees working border security operations may be reimbursed for overtime only if the grantee's overtime policy specifically allows for this.
  - v. HSGD will only reimburse the grantee for OT that does not exceed a total of 16 hours worked (regular plus OT) during any 24-hour period.

## 2. PERSONNEL - REGULAR or STRAIGHT-TIME

- a) Augmentees: Personnel costs for law enforcement personnel who are not regular employees of a funded agency, but are brought on as needed to specifically cover border security operations so that there can be a force multiplier during a period of "surge."
- b) Regular time for law enforcement personnel working border operations. Grant funds must be used to supplement existing funds and not supplant funds that have been budgeted for the same purpose.
- c) Part-time to Full-Time: Personnel costs for part-time law enforcement personnel in order to bring them to temporary full-time status.
- d) Regular time for administrative personnel supporting border security grant activities.

**3. EQUIPMENT:** Costs for equipment, or the rental of equipment, which will benefit the border security mission and will be routinely utilized during border security operations.

**4. SUPPLIES and DIRECT OPERATING EXPENSE:** Certain operational costs are also allowable, such as vehicle operating costs or costs for minor emergency repairs as described below, or for other services pre-approved by the HSGD that are critical to success of the program.

- a) The cost of fuel, lubricants, and minor emergency repairs or maintenance for vehicles, aircraft, boats, generators, and similar equipment used during the hours in which grant-funded staff are working.
- b) Only actual expenses supported by invoiced gas, oil, and repair or maintenance receipts may be reimbursed under this grant.
- c) Maintenance costs must be prorated to show the usage of vehicles or equipment for regular law enforcement duties as compared to usage while officers are working grant-paid patrols.

## Program-Specific Requirements

1. Eligible applicants must agree to perform the following activities:

  - h) Conduct Steady State operations and respond to calls for service.
  - i) Integrate air, ground, marine, and remote operations.

2. Eligible applicants must agree to submit the daily Border Incident Assessment Report (BIAR).

The grantee shall report all border-related events to the JOIC using the BIAR. BIAR reporting shall include events that occur during Enhanced Operation activities AND events that occur during Steady State activities. Enhanced (Surge) Operations originate out of the use of LBSP funds when the local agency chooses to increase the hours of patrol or the number of investigative bodies. Steady State activities are defined as normal patrol or investigative duties that do not use grant funds, but directly impact the overall LBSP mission, such as organized crime arrests, terroristic activities, weapons trafficking arrests, kidnappings, human trafficking, human smuggling, home invasions with a border or organized crime nexus, illegal immigration, border-related murders, gang-related murders, vehicle thefts, or drug trafficking.

The BIAR is the primary incident and information-reporting tool for the grantee in local border security operations. The grantee shall ensure all BIARs conform to the respective standards outlined by the JOIC and are submitted within 24 hours of the end of shift and/or the timeframes established by the JOIC.

## Eligibility Requirements

1. Additionally, the Federal Bureau of Investigations (FBI) will collect required crime statistics solely through the NIBRS starting January 1, 2021. Due to these upcoming state and federal deadlines, grantees are advised that eligibility for future grant funding may be tied to compliance with NIBRS. Financial grant assistance for transitioning to NIBRS may be available for your jurisdiction from the Criminal Justice Division (CJD).

Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3). This Form is required for each application submitted to OOG and is active until August 31, 2021 or the end of the grant period, whichever is later.

5. Eligible applicants must be registered in the federal System for Award Management (SAM) database located at <http://sam.gov/>.
