Erika,

In reference to the notice period, it is my understanding that there will be a minimum of 21 days as per the current approved written procedures. ***Should the opening date be March 11, 2019?***

Good morning Eddie,

Attached please find the Final RFQ packet with the correction made on Exhibit A. I reviewed the scope of work as well and there is no scope missing.

I have attached the notice/advertisement for your review and concurrence and the dates of advertisement if approved by Commissioner's Court on 2/12/19 will be 2/16/19 and 2/23/19 with an opening date of 3/6/19.

Please let me know if you need any additional information.

Respectfully,

Erika/Armando,

The only comment that I have is the following:

- Exhibit A Page 6 – bullet 13 refers to Hidalgo County PCT 4. Is this correct?

In general, the scope appears to be complete. Please ensure that there is no scope missing. Adding scope after the solicitation might be an issue.

Also, please submit the notice and dates of advertisement for my concurrence.

Thanks.

Good afternoon Mr. Saenz,

Attached for your review and approval to advertise is the RFQ for CEI for the Dicker Road Project. Since this project is moving towards construction fairly quickly, we are hoping to request authority from Commissioner's Court on next weeks agenda to advertise the RFQ attached.

Should you have any questions or comments on the packet please let me know.

Your assistance is greatly appreciated.

Respectfully,
