

Office of the Governor, Public Safety Office Child Sex Trafficking Team Funding Announcement: ***Preventing, Investigating, and Prosecuting the Commercial Sexual Exploitation of Children***

Purpose

The purpose of this announcement is to solicit applications for projects that prevent, investigate, and/or prosecute the commercial sexual exploitation of children in Texas.

Note: Projects seeking to provide services to identified victims of child sexual exploitation or abuse should refer to the funding announcement for residential and community-based services for child sex trafficking victims.

Available Funding

The activities of the Child Sex Trafficking Team are authorized by Texas Government Code §§ 772.0062-772.0063. State funds for these projects are authorized under the Texas General Appropriations Act, Article I, Rider 20 and Rider 25 for Trusteed Programs within the Office of the Governor. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Eligible Organizations

Applications may be submitted by state agencies, non-profit organizations (including hospitals and faith-based organizations), Native American tribes, independent school districts, and units of local government, which are defined as a non-statewide governmental body with the authority to establish a budget and impose taxes.

Applications for projects by other local governmental agencies must be submitted by a unit of government affiliated with the agency, including an authorizing resolution from that unit of government. For example, police departments must apply through their municipal government, and community supervision and corrections departments and district attorneys must apply through their affiliated county government.

Application Process

Applicants must access the PSO's eGrants grant management website at <https://eGrants.gov.texas.gov> to register and apply for funding. For more instructions and information, see *Developing a Good Project Narrative Guide*, available [here](#).

Key Dates

Action	Date
Funding Announcement Release	12/21/2018
Online System Opening Date	12/21/2018
Final Date to Submit and Certify an Application	02/28/2019 at 5:00pm CST
Earliest Project Start Date	10/01/2019

Project Period

Projects must begin on or after 10/01/2019 and may not exceed a 12 month project period.

Funding Levels

Minimum: \$25,000

Maximum: None

Match Requirement: None

Standards

Grantees must comply with standards applicable to this fund source cited in the State Uniform Grant Management Standards ([UGMS](#)), [Federal Uniform Grant Guidance](#), and all statutes, requirements, and guidelines applicable to this funding.

Eligible Purpose Areas

The following list of eligible activities and costs applies generally to all projects under this announcement.

Targeted Prosecution: The prosecution of crimes related to the commercial sexual exploitation of children.

Targeted Investigation: The investigation of crimes related to the commercial sexual exploitation of children, including the use of dedicated personnel.

Prevention Education: Research-based, age-appropriate primary prevention education to equip children with the knowledge and skills needed to prevent victimization and/or perpetration of commercial sexual exploitation. This activity includes prevention education provided directly to children as well as training and technical assistance provided to equip individuals to implement a prevention education program for children (such as training provided as part of a licensed curriculum or train-the-trainer model).

Training: Establishing and maintaining training programs to more effectively identify, respond to and prevent the commercial sexual exploitation of children.

Program Evaluation and Assessment: Evaluation and/or assessment of the effectiveness of prevention education programs, training, or targeted criminal justice responses.

Program Specific Requirements

Projects under this funding announcement must meet these requirements:

Community Collaboration: Applicants from communities with an existing human trafficking task force or coalition must upload documentation of active membership in the task force or coalition. Applicants

should also upload letters of support from any partners critical to achieving the proposed objectives. For example, if the proposed project is to provide multi-session prevention education in schools, the applicant should provide a letter of support from the school district for the project. All documents must be uploaded onto the Upload.Files Tab prior to the submission and certification of the eGrants application.

Promising Practices: Strategies should be based on research-based, evidence-informed, or evidence-based practices. Proposals should identify how the project adheres to such practices within the “Project Approach & Activities” section of the eGrants application. Utilization of research-based strategies will be considered in the merit review process.

Prevention Education: Applicants seeking to provide prevention education to children should upload curriculum content for review onto the Upload.Files Tab prior to the submission and certification of the eGrants application. If the curriculum is not available in a format that can be uploaded, the applicant should provide guidance on how to preview the materials. Prevention education projects are also expected to include strategies for evaluating outcomes such as changes in knowledge, attitudes, or behaviors. An overview of the applicant’s outcome evaluation strategy should be included in the “Performance Management” section of the eGrants application, and any evaluation instruments (such as pre/post tests) should be uploaded onto the Upload.Files Tab prior to the submission and certification of the eGrants application.

Project Evaluation: Recipients of funding under this announcement may be required to participate in a third-party evaluation funded by PSO and in improvement reviews performed by PSO program staff. Grantees must make good-faith efforts to follow recommendations by the evaluator and PSO staff – including recommended project modifications – as a condition of ongoing funding.

Guiding Principles: The Child Sex Trafficking Team conducts its activities in alignment with its guiding principles. Partners and grantees are expected to adhere to these same guiding principles, where applicable. The level of commitment to these principles, as indicated by an applicant’s proposed strategies, may be considered in the merit review process and ultimately required as a condition of funding. CSTT’s guiding principles are:

- a. We treat exploited youth as victims and survivors, not perpetrators.
- b. We are collaborative.
- c. We are survivor informed.
- d. Our systems and programs prioritize the needs of exploited youth and strive to give equal access to services regardless of system involvement.
- e. We seek to prevent exploitation by educating the public, supporting protective factors for all youth, and by building the resiliency of our most vulnerable youth.
- f. Our approaches, systems and services are trauma informed and responsive, and include trust based relationships.
- g. We develop and support community-based, sustainable resources and services.
- h. We are committed to long-term individualized services, including planning for and re-engaging with youth after relapse.
- i. We research the causes of and effective responses to exploitation and we evaluate and continuously improve our activities.

- j. We work to prevent and reduce demand for exploitation and to hold all exploiters, including facilitators and those who benefit from exploitation, accountable.

Eligibility Requirements

1. Entities receiving funds from CJD must be located in a county that has an average of 90% or above on both adult and juvenile dispositions entered into the computerized criminal history database maintained by the Texas Department of Public Safety (DPS) as directed in the Texas Code of Criminal Procedure, Chapter 60. The disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.
2. Eligible applicants operating a law enforcement agency must be current on reporting Part I violent crime data to the Texas Department of Public Safety (DPS) for inclusion in the annual Uniform Crime Report (UCR). To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year.
3. The Texas Department of Public Safety (DPS) has established a goal set by the Texas Legislature for all local law enforcement agencies to implement and report crime statistics data by using the requirements of the National Incident-Based Reporting System (NIBRS) no later than September 1, 2019. Additionally, the Federal Bureau of Investigations (FBI) will collect required crime statistics solely through the NIBRS starting January 1, 2021. Due to these upcoming state and federal deadlines, grantees are advised that eligibility for future grant funding may be tied to compliance with NIBRS. Financial grant assistance for transitioning to NIBRS may be available for your jurisdiction from the Criminal Justice Division (CJD).
4. Local units of government, including cities, counties and other general purpose political subdivisions, as appropriate, and institutions of higher education that operate a law enforcement agency, must comply with all aspects of the programs and procedures utilized by the U.S. Department of Homeland Security (“DHS”) to: (1) notify DHS of all information requested by DHS related to illegal aliens in Agency’s custody; and (2) detain such illegal aliens in accordance with requests by DHS. Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3). Lastly, eligible applicants must comply with all provisions, policies, and penalties found in Chapter 752, Subchapter C of the Texas Government Code.

Each local unit of government, and institution of higher education that operates a law enforcement agency, must download, complete and then upload into eGrants the [CEO/Law Enforcement Certifications and Assurances Form](#) certifying compliance with federal and state immigration enforcement requirements. This Form is required for each application submitted to OOG and is active until August 31, 2021 or the end of the grant period, whichever is later.

5. Eligible applicants must have a DUNS (Data Universal Numbering System) number assigned to its agency (to request a DUNS number, go to <https://fedgov.dnb.com/webform>).
6. Eligible applicants must be registered in the federal System for Award Management (SAM) database located at <https://sam.gov/>.

7. Eligible applicants will be required to provide regular reports reflecting the financial status of the grant, performance measures for services delivered, victims assisted and other selected metrics, and engagement with activities of care coordination where applicable.

Failure to comply with program eligibility requirements may cause funds to be withheld and/or suspension or termination of grant funds.

Prohibitions

Grant funds may not be used to support the unallowable costs listed in the [Guide to Grants](#) or any of the following unallowable costs:

1. Construction, renovation, or remodeling;
2. Law enforcement equipment that is standard department issue;
3. Lobbying or advocacy activities with respect to legislation or to administrative changes to regulations, whether conducted directly or indirectly;
4. Any other prohibition imposed by federal, state or local law or regulation.

Selection Process

Application Screening: The Public Safety Office (PSO) will screen all applications to ensure that they meet the requirements included in the funding announcement.

Merit Review: All applications will be reviewed by a panel appointed by the Child Sex Trafficking Team director in an effort to prioritize funding. The merit review panel will assess and score each application on a 100-point scale, and then report its findings to the executive director. Scores will be based on standard criteria.

Final Decisions – All Projects: The executive director will consider rankings along with other factors and make all final funding decisions. Other factors may include cost effectiveness, overall funds availability, PSO or state government priorities and strategies, legislative directives, need, geographic distribution, balance of focuses and approaches, or other relevant factors.

The PSO may not fund all applications or may only award part of the amount requested. In the event that funding requests exceed available funds, PSO may revise projects to address a more limited focus.
