Mr. Crain,

Good morning sir, wishing you and your staff a Happy Thanksgiving Holiday this year. Before we cut for this short week we're attaching a correspondence regarding Hidalgo County and the City of Elsa working collaboratively on the much needed FM 88 corridor. As noted on the attachment the final phase of this project is to be worked on. If you could kindly revise the ILA draft attached and provide comments would be very much appreciated. We thank you and your staff once again for all the support and hard work.

Thank you,

Jorge Pena
