Based upon the District's technical review and Division's administrative review, the captioned LUP utility adjustment in the amount of **\$682,612.00 is eligible 100.00%** for state cost participation.

The Hidalgo County may be notified to this affect. Reimbursement will be made to the County upon completion of audit/review and demonstration that the County has paid the utility (Form ROW-U-45).

The following comments are the result of the ROW Division's administrative review of the submitted LUP agreement:

1. Items tracked as Buy America compliant in the agreement cost estimate will be certified in the Form 1818 prior to installation of the materials.
2. A copy of the bid document is required at billing.
3. Form ROW-U-45 is required at billing.

State cost participation will be based on 23 CFR 645A. All quantities in the estimate portion of this agreement are preliminary, final quantities and participation will be based upon the actual scope of the work performed.
