REQUEST FOR INSPECTION

In accordance with Texas Government Code, Chapter 469.105, and TDLR Administrative Rule 68.52, the owner of a building or facility subject to compliance with Chapter 469.101 shall obtain an inspection to verify compliance with the Texas Accessibility Standards (TAS) not later than the first anniversary of the completion of construction.

The request for an inspection must be made by completing this form and submitting it to a Registered Accessibility Specialist (RAS) not later than 30 calendar days after the completion of construction for all projects registered before December 1, 2018.

The completed Request for Inspection form must be received prior to proceeding with the inspection. Following the inspection, the owner will be advised in writing of the results.

Under Administrative Rule 68.52 of the **Elimination of Architectural Barriers Act**, Government Code, Chapter 469, the Texas Department of Licensing and Regulation requires that the Owner must request an inspection from TDLR or a Registered Accessibility Specialist (RAS) no later than 30 days after completion of construction of a facility. The scheduled completion date on the Project Registration Form for the above referenced project is **10/31/2018**.

Robert V. Buck, AIA, is certified as a RAS by TDLR for conducting Texas Accessibility Standards (TAS) Plan Reviews and Site Inspections of buildings and facilities covered by the EABA. This firm performed the TAS Plan Review for this project. Should you choose to have us also conduct the required site inspection, please return the attached Inspection Request form with your signature. We will then invoice for the Inspection Fee amount of \$835.00. Once we receive authorization and payment we will be able to schedule the inspection at your convenience. Use the spaces below to update us on information about this project.
