Analysis and Conclusion:

Our approval/ disapproval recommendation is based on the items checked above and has been evaluated as follows: (attach additional sheets as necessary)

Being a 5,171 square foot or 0.1187 of an acre tract of land situated in the Pedro Flores Survey, Abstract 577, Porcion 77, Hidalgo County, Texas, out of Lot 22, NORTH RIDGE ACRES SUBDIVISION. On October 4, 2018, Acquisition Provider (L&G Engineering) made an offer of \$16,063.00 to purchase the property of Saida Norma Ochoa. On February 12, 2019 the property owner submitted a counter offer of \$25,000.00 in order to build a more durable concrete block fence. In her counter offer she feels that the road is going to be too close to her apartment complex. Mrs. Ochoa has provided a quote for a concrete block fence and hopes that the county considers her counteroffer to avoid condemnation. Based on the information provided within the counter offer and discussion by the acquisition team we do recommend that the Administrative Settlement be approved. We believe that the proposed counter offer is within a reasonable range.

This administrative settlement of \$ 25,000.00 is / is not recommended for approval as being reasonable, justified, prudent and in the public interest.

In regards to the offer on property at 1903 birch St, Penitas Tx, 78576
ROW CSJ No. :0921-02-372

We respectfully decline the current offer of \$16,000 and submit a counter offer of \$25,000 because of the following reasons.

1. The offer submitted was based of a total appraised value of \$180,000 while the market and appraised value according to the county is \$217,917 ,various websites such as Zillow.com will also attest to this.
2. Due to the nature of the expansion of liberty road being converted into a high volume high traffic blvd, and proximity, certain changes need to be made to the property to insure safety for the residents, building and vehicles within. 270 feet of brick wall will need to be erected in order to satisfy the safety of all residents from any high speed runaway vehicles that may happen to collide within the property. Which will change the costs significantly. The submitted quote just for the wall itself comes to \$23,400.

For these reasons I submit a counter offer of \$25,000 in total, please feel free to contact me with any questions in regard to the matter, at 956-

Dear Ms. Ochoa:

In acquiring property for the highway system of Texas, the Texas Department of Transportation (the "Department") and Hidalgo County (the "County") follow a definite procedure for appraising the land needed and for handling personal negotiations with each owner. As has been or will be explained by the County's negotiator, Fernando Herrera, Jr., a portion of your property located on Liberty Road, as described in the enclosed property description, is to be acquired for the construction or improvement of the above-referenced highway project.

We believe at this stage of the purchase process it is mutually beneficial to confirm that, based on an appraisal, the County is authorized to offer you \$ 16,063.00 for your property, which includes \$ 16,063.00 for the property to be purchased and \$0.00 for damages to your remaining property. This amount is the total amount of just compensation for all interests in the portion of your property to be acquired, as determined in accordance with State law, less oil, gas and sulphur, subject to clear title being conveyed to the County. In accordance with State law, it is the policy of the Department/County to negotiate with the fee owner(s) of the real property with the understanding that you will, in turn, negotiate with any lessee or other party who may own any interest in the land or improvements, with the exception of public utility easements, which will be handled separately by the Department/County.

This offer to purchase includes the contributory values of the improvement(s) listed below, which are considered to be part of the real property. Since the improvement(s) must be removed, it is the policy of the Department/County to permit owners who convey voluntarily to the State to thereafter retain the improvement(s), if they wish to do so. The retention values shown below are the estimated amounts the improvement(s) would bring if sold on public bids. If you wish to retain title to any of the following improvement(s) and remove it (them) from the right of way, the amount of the above offer must be reduced by the appropriate retention amount(s). This option to retain the improvement(s) does NOT apply should it become necessary for the County to acquire the real property by eminent domain.

<u>Improvement</u>	<u>Amount to be Subtracted if Retained</u>
A. Fence - Chain Link	\$ 1.00
B. Landscaping - Shrubs	\$ 1.00

If you wish to accept the offer based upon this appraisal, please contact Fernando Herrera, Jr., as soon as possible at (956) 585-1909, so that the process of issuing your payment may be started. If you are not willing to accept this offer, you may submit a written request for administrative settlement/counteroffer, setting forth a counteroffer amount and the basis for such amount, provided such settlement request is received in writing within 30 days from the date of this letter. Please note that your opportunity to submit an administrative settlement shall be forfeited if such a settlement request is not received by the Department /County within the 30 day time deadline. In the event the condition of the property changes for any reason, the County shall have the right to withdraw or modify this offer.

After the date of payment of the purchase price, or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and

reasonable incidental expenses necessarily incurred in transferring title to the property for use by the Texas Department of Transportation/Hidalgo County. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the County and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department/County failed to properly determine the eligibility for, or the amount of, incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's/County's determination on any claim for reimbursement.

You may be entitled to additional payments and services under the State's Relocation Assistance Program. It is emphasized, however, that any benefits to which you may be entitled under this program will be handled entirely separate from and in addition to this transaction. You will receive a brochure entitled "*Relocation Assistance*" which will inform you of eligibility requirements, payments and services which are available.

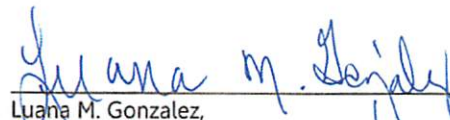

You have the right to discuss with others any offer or agreement regarding the Department's/County's acquisition of the subject property, or you may (but are not required to) keep the offer or agreement confidential from others, subject to the provisions of Chapter 552, Government Code (the Public Records Act) as it may apply.

Attached is a copy of the Texas Department of Transportation brochure entitled "*Right of Way Purchase*" which we trust will give you a better understanding of the procedures followed by the Department/County in purchasing property. We respectfully request the opportunity to meet with you or to otherwise discuss and answer any questions you may have regarding the details of the type of facility to be built, or concerning the County's offer or proposed purchase transaction. Also, please do not hesitate to contact Mr. Herrera at the telephone number provided above regarding any question you may have.

Please see the enclosed copy of the "*Texas Landowner Bill of Rights*."

Finally, we enclose copies of all appraisal reports relating to your property being acquired which were prepared in the ten (10) years preceding the date of this offer and produced or acquired by the State/County, including the appraisal on which this offer is based.

Sincerely,

Luana M. Gonzalez,

That my analysis, opinions and conclusions were developed, and this report has been prepared in conformity with the appropriate State laws, regulations, and policies and procedures applicable to the appraisal of right-of-way for such purposes, and that to the best of my knowledge no portion of the value assigned to such property consists of items which are non-compensable under the established law of said State, and any decrease or increase in the fair market value of subject real property prior to the date of valuation caused by the public improvement for which such property is to be acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to the physical deterioration within the reasonable control of the owner, has been disregarded in estimating the compensation for the property.

VI. Comments and Conclusions on Values in the Appraisal Report

Appraiser: Leonel Garza III
Effective Date of Report: September 10, 2018
Report Dated: September 13, 2018
Review Appraiser: Harvey L. Heerssen
Effective Date of Review: September 17, 2018

Parcel 19 is a partial taking of 0.1187 acres (5,171 sf.) situated in the Pedro Flores Survey, Abstract 577, Porcion 77, out of Lot 22, North Ridge Acres Subdivision, as recorded in Volume 43, Page 161, of the Map Records, Hidalgo County, Texas, said Lot 22 conveyed by Warranty Deed with Vendor's Lien dated July 10, 2007, to Saida Norma Ochoa from Carlos Alberto Solis and wife Maria Guadalupe Solis, as described in Document No. 1780525 of the Official Records, Hidalgo County, Texas.

The whole property of 0.6858 acres is located at the northeast corner of Liberty Road and Birch Street, Penitas, Texas and is improved with multi-family apartments occupied by tenants. The apartment units are not impacted by the proposed acquisition. Site improvements within the acquisition include a portion of chain link fencing and landscaping that are appraised accordingly.

The appraiser Leonel Garza III has selected three (3) recent sales to value the whole tract at \$2.70 per sf. The highest and best use is for residential purposes and the part taken is valued as pro-rata part of the whole. There are no market damages to the remainder land.

The appraiser has considered access damages in accordance with Section 21.042(d) of the Texas Property Code, as amended by SB18 of the Texas 82nd Regular Legislative Session. The result of the findings is that there is no denial of direct access nor material impairment of direct access on or off the remaining property that affects the market value of the remaining property. Therefore, there are no access damages to the remainder property.

The report prepared by the appraiser Leonel Garza III is an Appraisal Report presented on TxDOT form ROW-A-5 and appears to comply with USPAP and the Texas Department of Transportation's Appraisal and Review Manual. The appraisers' opinion and conclusions appear to be well supported by information contained within this appraisal report. It is recommended that the total value of 16,063.00 be approved for negotiations and acquisition.

VII. Justification and Explanation for Credit if Retained.

Retentions of 1 00 are applied to the chain link fencing and landscaping in order to encourage retention and removal.

VIII. Conditions

Values for signs, if any, are applicable only if sign owner has compensable interest.

Fencing is applicable only to actual cost or lump sum fencing on 90-10 Right of Way projects and State cost participation in fences to be in accordance with State's Right of Way Manual.

The values indicated hereon have been approved on the basis that all improvements within the taking will be acquired in the name of the State through negotiation.

IX. Reviewing Appraisers' Statements

Reviewing Appraiser's Statement

It is my opinion that the appraiser's report for this parcel appears adequately supported and in compliance with all appropriate appraisal standards, laws, and regulations, and I recommend this appraisal for use by the appropriate Agency Official and his/her assigns. I have no direct or indirect present or contemplated future personal interest in such property or in any benefit from the acquisition of the parcel.
