That price is still out of our price range for the budget we have. I am guessing this is why all

these years we have stuck to the paperback and take two guides.

Linda,

I can give you another 7 day trial if you'd like. The best price I am allowed to offer is a 15% discount for a total of \$2,809.25

Well to sum up my 10 days since the trial it would end up being a novel and I am sure you don't have time to read one :) I was not able to really get in and explore cause our payroll week was very hectic.

What would the rock bottom rate be if we signed up for the Payroll library complete w/o forms?

Good morning Linda,

I wanted to make you aware that the trial for the Payroll library has expired. Have you made decision regarding this?
