COMPANY PROFILE

Business Certifications:

HUB (Historically Underutilized Business), State of Texas

Additional Information:

Majority of stock is owned by women and/or minorities

Business Description:

We are a web site design, web application and software developer who use the latest technologies to help our client/partners. Utilizing cutting edge processes, we solve our clients' business challenges by providing custom built systems to increase productivity and economic returns. We enjoy what we do and we strive to be current on the newest technologies. We constantly challenge each other to go a little further, to learn something new or take that extra step.

We are driven to provide the best customer experience possible. We build trust with each and every client/partner, which becomes the foundation for client growth and ultimately lasting relationships.

Company Strengths/Competitive Edge:

Ensemble Group is not just reselling mass-produced solutions that force you to work within some preconceived restraints. Ensemble Group listens and every one of our solutions is custom designed for you and specifically tailored to meet your organization's specific needs.

COMPENSATION AND FEES

INSPECTHUB - HOSTING, MAINTENANCE AND TECHNICAL SUPPORT

- InspectHub Monthly Payment Plan
 - \$333.28 up to 8 inspectors (\$41.66 per inspector)
 - Inspector accounts have the ability to inspect establishments, and can have automatically scheduled establishments to inspect every business day
 - Clerical accounts – FREE - Have access to modify establishments and review filed inspection reports, but have limited access to most of the software.
 - Administrator accounts – FREE - Have access to the back-end of Inspect Hub. The administrative user can change website settings, inspection forms, send billing notices, run reports and much more
 - Up to 1 hour technical support per month is included

INSPECTHUB – INCLUDED AT PROJECT START

- Internet based training – Train the Trainer – up to 2 hour (can be multiple sessions) - included in InspectHub pricing – additional time will be additional cost
- Data import from our Excel template is included for Establishments and past Inspections
- Creation of State Inspection Forms and Permits
- InspectHub comes with a set of standard reports. We will work with you to add up to 5 additional reports
- Additional updates and customizations to the system will be an additional cost and priced according to work efforts to implement.

FEES AND PAYMENTS

The Fees shall include all applicable foreign, federal, state and local taxes payable with respect to this Agreement. Fees shall be invoiced and paid in accordance with the Texas Prompt Payment Act. Ensemble Group will be entitled to remedies under the law for late payments. Customer acknowledges and agrees that it will be required to pay the Monthly Payment and/or Service Fees that have been incurred. Customer also acknowledges that Ensemble Group reserves the right to withhold any and all source code and data from the client until full payment is received.

AGREEMENT ACCEPTANCE

This Agreement.

This agreement constitutes the sole agreement between Ensemble Group and the Client regarding this Project. Any additional work not specified in this contract or any other amendment or modification to this contract must be authorized by a written request signed by both Client and Ensemble Group.

The undersigned hereby agree to the terms, conditions and stipulations of this agreement on behalf of his or her organization or business.

This Agreement constitutes the entire understanding of the parties. Any changes or modifications thereto must be in writing and signed by both parties.
