Hi Hector,

All of the documentation remains the same. The proposal and quote is for the model currently listed on the DIR contract, but since inventory depleted, we filled with the newest generation of equipment.

Here are the details for each:

Auditors Office – Originally proposed MPC6004EX, Will deliver IMC6000

Probate Court – Originally proposed MPC4504EX, Will deliver IMC4500

JP4 PL 2 – Originally proposed MPC4504EX, Will deliver IMC4500

Please let me know if you need anything else.

Good Morning Aissa,

Is all the documentation going to stay the same as the original or will you provide us with the updated proposals? Also could you please tell me which is the new model that will be the replacement for each department?

Thank You!

Good Afternoon Aissa,

Could you please provide me with the new documentation regarding the change of the copier model for Auditor's Office? We need to work on placing the clarification on the next Commissioner Court for approval.

Thank You!
