Dear Ms. Villarreal:

I confirm that Morganti used the correct form called for in their contract. All referenced exhibits appear to be attached. We have not reviewed the substances of the document, such as qualifications, Base Bid Tabulation and schedules. We understand that Jacobs will verify these documents. We do note that Exhibit A is referred to as the "100% GMP Estimate." Jacobs should determine whether the word "Estimate" is appropriate for a Guaranteed Maximum Price Amendment.

Please let me know if you have any questions.

Congratulations to the entire team for reaching this important milestone.

John
