Subject: Mobile Surveillance Towers

Good evening Sgt.:

Attached you will find the specs for the Mobile Surveillance Towers for your review and approval. This is a rough draft (have not proofed or spell checked) and I need to send my packet to legal for approval but the packet is complete and ready to go. If you see anything that needs to be changed just write it on the document and I will make the changes in the morning. Sorry for the late night phone call I hope you had a good evening.

Sincerely,
Heidi
