RE: PROGRESS REPORT
Activities at the HCMPO for the month of March 2019
Work Authorization No. 1 Contract #C-15-255-09-01

Dear Mr. Guerra,

Attached is our invoice for this billing period. The following tasks were accomplished this month.

- **March 7, 2019** –HCMPO Technical Advisory Committee (TAC) Meeting was cancelled.
- **March 21, 2019** – HCMPO Policy Meeting was cancelled.
- **Throughout the month of March, L&G Engineering staff**
 - Both Mr. Jacinto Garza, P.E. and Mr. Behrooz Badiozzamani, P.E. have been providing MPO guidance with the projects with Commissioner David Fuentes as it relates to funding for the FM 88, FM 493 and future projects such as SH 495 and Nolana Extensions. In addition, guidance has been provided to Commissioner Joe Flores for funding associated for two (2) new Overpasses in La Joya and the Extension from FM 1925 to Jara Chinas. Mr. Robert Macheska, P.E. has also been coordinating with Commissioner Ellie Torres in relation to funding for the Mile 5 project. Mr. Reza Badiozzamani, P.E. has been coordinating with Commissioner Eddie Cantu in an effort to insure the letting of Dicker Road as well as the continued development of Cesar Chavez through the HCMPO.
 - Provided technical support for Commissioner Eddie Cantu regarding the Merger of the Rio Grande Valley MPOs. L&G staff attended meetings with all four commissioners to address questions regarding potential benefits and possible effects of the merger on current and future Hidalgo County transportation infrastructure projects.
 - Provided technical support for revisions to Hidalgo County projects in anticipation of the update to the Metropolitan Transportation Plan (MTP) and concurrent development of the TxDOT 2020 Unified Transportation Plan as it relates to projects in FY 2029 of the MTP. L&G staff reviewed all four commissioners' projects to ensure no delays to project development occurred as a result of the MTP/UTP update.

Should you have any questions or require additional information, please do not hesitate to give me a call at (956) 565-9813.

Sincerely,

Jacinto Garza, P.E.
CEO/President
