Re: Moving the Hidalgo County DR-4332 HMGP Application to DR-4377

Dear Judge Cortez:

Your jurisdiction has submitted the DR-4332 Hurricane Harvey application listed below. Priority in project selection is given to declared counties. Your jurisdiction is not within the declared disaster area for Hurricane Harvey, but is within the declared disaster area for DR-4377.

Since you are within the declared area, you have the opportunity to have your DR-4332 application considered under the Hazard Mitigation Grant Program (HMGP) for DR-4377.

Project Number	Project Description
DR-4332-TX-295	Precinct 1 Drainage Improvements

Should you wish to have this project application moved from DR-4332 to DR-4377, the Texas Division of Emergency Management (TDEM) will need a letter on official letterhead requesting as such.

Please submit your request letter by Friday, April 26, 2019. If TDEM does not receive a response by this date, you will have to resubmit this application to be considered.

Respectfully,

David P. Jackson
