**KEEP THIS FORM FOR YOUR RECORDS**

**PERMIT TERM:**

An Alarm Permit shall expire twelve (12) months from the date of issuance, and must be renewed annually by submitting an updated application and a registration renewal fee to the Alarm Administrator. The Alarm Administrator shall notify each Alarm User of the need to renew thirty (30) days prior to the expiration of the registration. It is the responsibility of the Alarm User to submit an application prior to the registration expiration date. Failure to renew will be classified as use of a non-registered Alarm System and may result in:

- (A) Non-response to Alarm Dispatch Requests;
- (B) The assessment of citations and penalties; and
- (C) A \$50.00 late fee may be assessed if the renewal is more than thirty (30) days late

(A) An Alarm User shall be subject to fines, depending on the number of False Alarms within the previous 12-month period based upon the following schedule: (Ref. Local Government Code 214.196)

**# Of False Alarms Fine**

- 1 – 3 false alarms \$ 0
- 4 – 5 false alarms \$ 50.00 each
- 6 – 7 false alarms \$ 75.00 each
- 8 false alarms and above \$100.00 each

- (B) An Alarm User may be fined fifty (\$50.00) dollars for failure to provide a Responder when requested by Law Enforcement Authority.
- (C) An Alarm User may have the option of completing an Alarm User Awareness Class in lieu of paying one prescribed fine.
- (D) If Cancellation occurs prior to law enforcement arriving at the scene, this is not a False Alarm for the purpose of fines, and no fines will be assessed.
- (E) If law enforcement takes longer than thirty (30) minutes to respond to the Alarm Dispatch Request, this is not a False Alarm for the purpose of fines, and no fines will be assessed. (Ref. Local Government Code 214.196)

**PERMIT RENEWAL:**

- (A) No Alarm User shall operate, or cause to be operated, an Alarm System, which is intended to summons police response at its Alarm Site without a valid Alarm Permit. A separate Alarm Permit is required for each Alarm Site. **An Alarm Permit is not valid if it has been denied or revoked, has not been renewed, or has expired.**
- (B) The Alarm Site must have a valid Alarm Permit for the police department to respond to the location unless the Alarm Dispatch Request is for a Duress Alarm, Holdup Alarm or a Panic Alarm.
- (C) No Alarm User shall allow a Monitoring Company to make an Alarm Dispatch Request to an Alarm Site that does not have a valid Alarm Permit.
- (D) The fee for an Alarm Permit or an Alarm Permit renewal shall be determined from time to time by ordinance or resolution of the governing body, not to exceed \$50.00 for residential permits and \$100.00 for commercial permits. No refund of a registration or registration renewal fee will be made. The initial Alarm Permit fee must be submitted to the Alarm Administrator **within five (5) days** after the Alarm System installation or Alarm System Takeover and shall be paid by the Alarm User.

**EXEMPTIONS:**

An alarm system on a residential premise occupied by a permit holder who is at least **sixty five (65) years of age or older; or is declared disabled;** or is the widowed spouse of a military veteran shall require a permit, but no permit application fee is required. **False alarm response fees do not qualify under this exemption.**

**REINSTATEMENT:**
