Erika,

Have you received the installation breakdown for the hourly rates from ExerPlay? I received a copy yesterday and reviewed for compliance related to the hourly labor rates posted for Exerplay and find all to be in compliance with RFP 512-16.

Any questions, let me know.

Steve

Erika,

The quote from ExerPlay for the Aquatiix equipment and installation is compliant with RFP 512-16. The quote from Exerplay for the Playground Equipment, Shade, Safety Surfacing and installation is compliant with RFP 512-16 with a couple of notes. Zeager Brothers surface material is a delivered quote as they don't provide any price lists, but that is such small percentage of the total project I would not be concerned. We got the hourly labor rates from ExerPlay, but I don't really have a way to check those against the quote as they listed it as just total man hours. If they broke those down by laborer type and number of hours per laborer we could validate the installation costs.

Any questions, let me know. Thanks

Steve

Good afternoon Steve,

Hidalgo County Precinct 2 is kindly requesting your assistance on price verifying that all items on the quotes attached from Exerplay are in compliance with their buy board contract.

Please let me know if you have any questions or require additional information.

P.S. I was able to price verify all items on Proposal No. JC031919-3 except for item no's 247189A & 249558B. Hopefully, this saves you some time.

Respectfully,

--

Erika Zamora
