Good morning Steve,

Attached please find the first amendment to the park lease agreement with the only change to the agreement highlighted in yellow. The only change Valley View ISD made to the first amendment to the park lease agreement is that they removed what I highlighted.

Please review against your version, revise, and email back to me so that I can have Monica attach to yesterday's agenda as the final version.

Respectfully,
Erika Zamora

Valley view removed the need to get a letter from TEA but agreed to everything else including our right to remove park equipment. Do we approve ours subject to legal to allow us to make that change?

Thank you
