2030	1,925,000	5.000

6. Optional Redemption Prior to Maturity. The Bonds are subject to redemption prior to maturity as follows:

(a) The County reserves the right, at its option, to redeem the Bonds having stated maturities on and after August 15, 2029 prior to maturity, in whole or in part, in such manner as the County may select, on August 15, 2028, and on any date thereafter, at a price of par plus accrued interest on the principal amounts called for redemption to the date fixed for redemption. If less than all of the Bonds are redeemed, the particular Bonds or portions thereof to be redeemed shall be selected at random and by lot by the Paying Agent/Registrar on behalf of the County.

(b) Bonds may be redeemed only in integral multiples of \$5,000 of principal amount. If a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in integral multiples of \$5,000. In selecting portions of Bonds for redemption, the Paying Agent/Registrar shall treat each Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000. Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in

accordance with the provisions of this Order, shall authenticate and deliver in exchange therefor a Bond or Bonds of like maturity and interest rate in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

(c) Not less than thirty (30) days prior to redemption date for the Bonds, notice of such redemption shall be sent by U.S. mail, first class postage prepaid, in the name of the County to each Owner of a Bond to be redeemed in whole or in part at the address of such Owner appearing on the Register at the close of business on the Business Day next preceding the date of mailing. Such notices shall state the redemption date, the redemption price, the place at which Bonds are to be surrendered for payment and, if less than all Bonds outstanding are to be redeemed, the numbers of Bonds or portions thereof to be redeemed. Any notice of redemption so mailed as provided in this section will be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Bonds or portions thereof to be redeemed. When Bonds have been called for redemption in whole or in part, notice of redemption has been given as herein provided and due provision has been made to redeem the same, the Bonds or portions thereof so redeemed shall no longer be regarded to be outstanding, except for the purpose of receiving payment solely from the funds so provided for redemption, and interest which would otherwise accrue after the redemption date on any Bond or portion thereof called redemption shall terminate on the date fixed for redemption.

(d) The Paying Agent/Registrar and the County, so long as a Book-Entry-Only System is used for the Bonds, will send any notice of redemption, notice of proposed amendments to the Order or other notices with respect to the Bonds only to DTC. Any failure by DTC to advise any DTC participant, (or of any DTC participant or indirect participant to notify the Beneficial Owner), shall not affect the validity of the redemption of the Bonds called for redemption or any other action premised on any such notice. Redemption of portions of the Bonds by the County will reduce the outstanding principal amount of such Bonds held by DTC. In such event, DTC may implement, through its Book-Entry-Only System, a redemption of such Bonds held for the account of DTC participants in accordance with its rules or other agreements with DTC participants and then DTC participants and indirect participants may implement a redemption of such Bonds from the Beneficial Owners. Any such selection of Bonds to be redeemed will not be governed by the Order and will not be conducted by the County or the Paying Agent/Registrar. Neither the County nor the Paying Agent/Registrar will have any responsibility to DTC participants, indirect participants or the persons for whom DTC participants act as nominees, with respect to the payments on the Bonds or the providing of notice to DTC participants, indirect participants, or Beneficial Owners of the selection of portions of the Bonds for redemption.

7. Execution of Bonds: Seal. The Bonds shall be signed by the County Judge and countersigned by the County Clerk, by their manual or facsimile signatures, and the official seal of the County shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of such officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the County had been manually impressed upon each of the Bonds. If any officer of the County whose signature shall be on the Bonds, or on any certification required in

connection with the Bonds, shall cease to be such officer before the authentication of such Bonds or before the delivery of such Bonds or certification required in connection with the Bonds, such signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in such office.

8. Approval by Attorney General Registration by Comptroller. The Initial Bond(s) shall be delivered to the Attorney General for approval and shall be registered by the Comptroller. The County Judge and the County Clerk are authorized hereby to have control and custody of the Bonds and all necessary records and proceedings pertaining thereto pending their delivery, and the County Judge and the County Clerk and other officers, including the Commissioners of the Commissioners Court, and employees of the County are hereby authorized and directed to make such certifications and to execute such instruments as may be necessary to accomplish the delivery of the Bonds and to assure the investigation, examination and approval thereof by the Attorney General and the registration of the Initial Bonds by the Comptroller. Upon registration of the Bonds, the Comptroller (or the Comptroller's bond clerk, or an assistant bond clerk lawfully designated in writing to act for the Comptroller) shall manually execute the registration certificate of the Comptroller substantially in the form provided in Section 18 of this Order, and such certificate shall be affixed or attached to the Bonds to be initially issued, and the seal of the Comptroller shall be impressed, or placed in facsimile, thereon.

9. Authentication. Except for the Initial Bonds, which need not be authenticated by the Paying Agent/Registrar, only such Bonds as shall bear thereon a certificate of authentication, substantially in the form provided in Section 18 of this Order, manually executed by an authorized representative of the Paying Agent/Registrar, shall be entitled to the benefits of this Order or shall be valid or obligatory for any purpose. Such duly executed certificate of authentication shall be conclusive evidence that the Bond so authenticated was delivered by the Paying Agent/Registrar hereunder.

10. Payment of Principal and Interest; Paying Agent/Registrar. The Paying Agent/Registrar is hereby appointed as the registrar and paying agent for the Bonds pursuant to the terms and provisions of the Paying Agent/Registrar Agreement, a copy of which is attached hereto as Exhibit "A", which is hereby authorized, approved and incorporated hereto by reference by the Commissioners Court, and which the appropriate officials of the County are hereby authorized to execute. The officers of the County are each hereby authorized to execute, attest and affix the County's seal to the Paying Agent/Registrar Agreement, the terms and provisions of which are hereby approved. Such initial Paying Agent/Registrar and any successor, by undertaking the performance of the duties of the registrar and paying agent hereunder, and in consideration of the payment of any fees pursuant to the terms of the agreement between the Paying Agent/Registrar and the County and/or the deposits of money pursuant to this Order, shall be deemed to accept and agree to abide by the terms of this Order. All money transferred to the Paying Agent/Registrar in its capacity as registrar or paying agent for the Bonds under this Order (except any sums representing registrar or paying agent fees) shall be held in trust for the benefit of the County, shall be the property of the County and shall be disbursed in accordance with this Order. All matured Bonds presented to the Paying Agent/Registrar for payment shall be paid without the necessity of further instructions from the County. Such Bonds shall be canceled as provided herein.

The principal of the Bonds shall be payable without exchange or collection charges, in any coin or currency of the United States of America which, on the date of payment, is legal tender for the payment of debts due the United States of America, upon their presentation and surrender, as they respectively become due and payable, at the trust office of the Paying Agent/Registrar. The interest on each Bond shall be payable by check dated as of the Interest Payment Date and mailed by the Paying Agent/Registrar on or before each Interest Payment Date to the Owner of record as of the Record Date, to the address of such Owner as shown on the Register. Any accrued interest payable at maturity on a Bond shall be paid upon presentation and surrender of such Bond at the principal trust office of the Paying Agent/Registrar.

If the date for payment of the principal of or interest on any Bond is not a Business Day, then the date of such payment shall be the next succeeding Business Day with the same force and effect as if made on the date payment was originally due.

11. Successor Paying Agents/Registrars. The County covenants that at all times while any Bonds are outstanding it will provide a legally qualified bank, trust company, financial institution or other agency to act as Paying Agent/Registrar for the Bonds. The County reserves the right to change the Paying Agent/Registrar for the Bonds on not less than sixty (60) days' written notice to the Paying Agent/Registrar, as long as any such notice is effective not less than 60 days prior to the next succeeding principal or interest payment date on the Bonds. Promptly upon the appointment of any successor Paying Agent/Registrar, the previous Paying Agent/Registrar shall deliver the Register or a copy thereof to the new Paying Agent/Registrar, and the new Paying Agent/Registrar shall notify each Owner, by United States mail, first class postage prepaid, of such change and of the address of the new Paying Agent/Registrar. Each Paying Agent/Registrar hereunder, by acting in that capacity, shall be deemed to have agreed to the provisions of this Order.

12. Special Record Date. In the event of a nonpayment of interest on any Interest Payment Date which continues for thirty (30) days thereafter, the Paying Agent/Registrar shall establish a new record date for the payment of such interest (the "Special Record Date"). The Paying Agent/Registrar shall establish a Special Record Date upon receipt of funds from or on behalf of the County to make such interest payment. The Special Record Date shall be fifteen days prior to the scheduled payment date of past due interest. Notice of the scheduled payment date of past due interest and the Special Record Date shall be given by U.S. mail, first class postage prepaid, not later than five (5) days prior to the Special Record Date, to each Owner of an affected Bond as of the close of business on the Business Day prior to the mailing of such notice.

13. Ownership; Unclaimed Principal and Interest. The County, the Paying Agent/Registrar and any other person, may treat the person in whose name any Bond is registered as the absolute Owner of such Bond for the purpose of making and receiving payment of the principal of or interest on such Bond and for all other purposes, whether or not such Bond is overdue, and neither the County nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any

Bond in accordance with this section shall be valid and effectual and shall discharge the liability of the County and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Amounts held by the Paying Agent/Registrar which represent principal of and interest on the Bonds remaining unclaimed by the Owner after the expiration of three (3) years from the date such amounts have become due and payable shall be reported and disposed of by the Paying Agent/Registrar in accordance with the applicable provisions of Texas law, including, to the extent applicable, Title 6 of the Texas Property Code, as amended. To the extent such provisions of the Texas Property Code do not apply to these funds, such funds shall be paid by the Paying Agent/Registrar to the County upon receipt by the Paying Agent/Registrar of a written request therefor from the County. The Paying Agent/Registrar shall have no liability to the Owners of the Bonds by virtue of actions taken in compliance with this section.

14. Registration, Transfer and Exchange. As long as any Bonds remain outstanding the Paying Agent/Registrar shall keep the Register at its corporate trust office and, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with the terms of this Order.

Each Bond shall be transferable only upon the presentation and surrender thereof at the corporate trust office of the Paying Agent/Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the registered Owner or his authorized representative in form satisfactory to the Paying Agent/Registrar. Upon due presentation of any Bond in proper form for transfer, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor, within seventy-two (72) hours after such presentation, a new Bond or Bonds, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount and bearing interest at the same rate as the Bond or Bonds so presented.

All Bonds shall be exchangeable upon presentation and surrender thereof at the trust office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination, in an aggregate principal amount equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Paying Agent/Registrar shall be and is hereby authorized to authenticate and deliver exchange Bonds in accordance with the provisions of this section. Each Bond delivered in accordance with this section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

The County or the Paying Agent/Registrar may require the Owner of any Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Bond. Any fee or charge of the Paying Agent/Registrar for such transfer or exchange shall be paid by the County.

15. Mutilated, Lost or Stolen Bonds. Upon the presentation and surrender to the Paying Agent/Registrar of a damaged or mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding. The County or the Registrar may

require the Owner of a damaged or mutilated Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith, including the fees and expenses of the Registrar.

If any Bond is lost, apparently destroyed or wrongfully taken, the County, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall execute and the Paying Agent/Registrar shall authenticate and deliver a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding. The County or the Paying Agent/Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Bond, before any replacement Bond is issued, to:

(a) furnish to the County and the Paying Agent/Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Bond;

(b) furnish such security or indemnity as may be required by the Paying Agent/Registrar and the County to save them harmless;

(c) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that may be imposed; and

(d) meet any other reasonable requirements of the County and the Paying Agent/Registrar.

If, after the delivery of a replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the County and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the County or the Paying Agent/Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the County in its discretion may, instead of issuing a replacement Bond, authorize the Paying Agent/Registrar to pay such Bond.

In accordance with Chapter 1207, Texas Government Code, as amended, each replacement Bond delivered in accordance with this section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered. This section further constitutes authority for the issuance of any such replacement Bond without necessity of further action by the governing body of the County or any other body or person, and the duty of replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar.

16. Cancellation of Bonds. All Bonds paid in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment. The Paying Agent/Registrar shall furnish the County with appropriate certificates of destruction of such Bonds.

17. Book-Entry Only Transfers and Transactions; Depository Trust Corporation
(a) Notwithstanding the provisions contained in Sections 10 and 13 through 16 hereof relating to the payment, and transfer/exchange of the Bonds, the County hereby approves and authorizes the use of “Book-Entry Only” securities clearance, settlement and transfer system provided by the Depository Trust company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the requirements and procedures identified in the Letter of Representations, by and between the County, the Paying Agent/Registrar and DTC (the “Depository Agreement”) relating to the Bonds.

(b) Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the “DTC Participants”). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the Ownership of each actual purchaser or owner of each Bond (the “Beneficial Owners”) being recorded in the records of DTC and DTC Participants.

(c) In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the County determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the County covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bonds to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 10, 14, 15, and 16 hereof.

(d) The definitive Bonds shall be initially issued in the form of a separate single frilly registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in paragraph (g) hereof, all of the Outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the Registered Owners at the close of business on the Record Date, the word “Cede & Co.” in this Order shall refer to such new nominee of DTC.

(e) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the County and the Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the County and the Paying Agent/Registrar shall

have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in Bonds, (b) the delivery to any DTC Participant or any other person, other than a Registered Owner, as shown on the Register, of any notice with respect to the Bonds or (c) the payment to any DTC Participant or any other person, other than a Registered Owner, as shown in the Register, of any amount with respect to principal of or interest on the Bonds.

(f) Except as provided in paragraph (g) of this section, the County and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purposes of payment of principal of and interest on such Bond and other matters with respect to such Bond, registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Registered Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner shall receive a Bond certificate evidencing the obligation of the County to make payments of amounts due pursuant to this Order.

(g) In the event that the County or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the County to DTC, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the County or the Paying Agent/Registrar shall (a) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (b) notify DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Registered Owners transferring or exchanging Bonds shall designate, in accordance with the provision of this Order.

(h) Notwithstanding any other provision of this Order to the contrary, as long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the representation letter of the County to DTC.

18. Form of Bonds. The form of the Bonds, including the form of the Paying Agent/Registrar's Authentication Certificate, the form of the insurance legend, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas, which shall be attached or affixed to the Bonds initially issued shall be, respectively, substantially as follows, with such additions, deletions and variations, including any

the Special Record Date shall be given by U.S. mail, first class postage prepaid, not later than five (5) days prior to the Special Record Date, to each Owner of an affected Bond as of the close of business on the Business Day prior to the mailing of such notice.

IF THE DATE for payment of the principal of or interest on any Bond is not a Business Day, then the date for such payment shall be the next succeeding Business Day with the same force and effect as if made on the date payment was originally due.

THIS BOND is one of a duly authorized issue of bonds dated for convenience purposes May 15, 2019, aggregating \$20,645,000 (the "Bonds"), issued for the purpose of providing funds to refund the Refunded Obligations, and to pay costs and expenses of issuance, all pursuant to the Constitution and laws of the State of Texas, an order adopted by the Commissioners Court on May 21, 2019.

THE COUNTY RESERVES THE RIGHT, at its option, to redeem prior to maturity the Bonds maturing on or after August 15, 2029, in whole or in part, on August 15, 2028; or on any date thereafter, at the par value thereof plus accrued interest to the date fixed for redemption.

Bonds may be redeemed only in integral multiples of \$5,000 of principal amount. If a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in integral multiples of \$5,000. In selecting portions of Bonds for redemption, the Paying Agent/Registrar shall treat each Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000. Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with the provisions of this Order shall authenticate and deliver in exchange therefor a Bond or Bonds of like maturity and interest rate in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

If less than all of the Bonds are redeemed, the particular maturities or portions thereof to be redeemed shall be selected by lot by the Paying Agent/Registrar on behalf of the County. If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds or portions thereof to be redeemed shall be selected by lot or other random method in integral multiples of \$5,000 of principal amount.

Not less than thirty (30) days prior to a redemption date for the Bonds, notice of redemption shall be sent by U.S. mail, first class postage prepaid, in the name of the County to each Owner of a Bond to be redeemed in whole or in part at the address of such Owner appearing on the Register at the close of business on the Business Day next preceding the date of mailing. Such notice shall state the redemption date, the redemption price, the place at which Bonds are to be surrendered for payment and, if less than all Bonds outstanding are to be redeemed, the numbers of Bonds or portions thereof to be redeemed. Any notice of redemption so mailed as provided in this section will be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Paying Agent/Registrar for payment of the redemption price of the Bonds or portions thereof to be redeemed. When Bonds have been called for redemption in whole or in part, and notice of redemption has been given as herein provided and due provision has been

made to redeem the same, the Bonds or portions thereof so redeemed shall no longer be regarded to be outstanding, except for the purpose of receiving payment solely from the funds so provided for redemption, and interest which would otherwise accrue after the redemption date on any Bond or portion thereof called for redemption shall terminate on the date fixed for redemption.

The Paying Agent/Registrar and the County, so long as a Book-Entry-Only System is used for the Bonds, will send any notice of redemption, notice of proposed amendments to the Order or other notices with respect to the Bonds only to DTC. Any failure by DTC to advise any DTC participant, (or of any DTC participant or indirect participant to notify the Beneficial Owner), shall not affect the validity of the redemption of the Bonds called for redemption or any other action premised on any such notice. Redemption of portions of the Bonds by the County will reduce the outstanding principal amount of such Bonds held by DTC. In such event, DTC may implement, through its Book-Entry-Only System, a redemption of such Bonds held for the account of DTC participants in accordance with its rules or other agreements with DTC participants and then DTC participants and indirect participants may implement a redemption of such Bonds from the Beneficial Owners. Any such selection of Bonds to be redeemed will not be governed by the Order and will not be conducted by the County or the Paying Agent/Registrar. Neither the County nor the Paying Agent/Registrar will have any responsibility to DTC participants, indirect participants or the persons for whom DTC participants act as nominees, with respect to the payments on the Bonds or the providing of notice to DTC participants, indirect participants, or Beneficial Owners of the selection of portions of the Bonds for redemption.

THIS BOND IS TRANSFERABLE only upon presentation and surrender at the trust office of the Paying Agent/Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his authorized representative, subject to the terms and conditions of the Order.

THIS BOND IS EXCHANGEABLE at the trust office of the Paying Agent/Registrar for the Bonds in the principal amount of \$5,000 or any integral multiple thereof, subject to the terms and conditions of the Order.

THIS BOND shall not be valid or obligatory for any purpose or be entitled to any benefit under the Order unless this Bond is either (i) registered by the Comptroller of Public Accounts of the State of Texas by registration attached or affixed hereto or (ii) authenticated by the Paying Agent/Registrar by due execution of the authentication certificate endorsed hereon.

THE REGISTERED OWNER of this Bond, by acceptance hereof, acknowledges and agrees to be bound by all the terms and conditions of the Order.

THE COUNTY has covenanted in the Order that it will at all times provide a legally qualified Paying Agent/Registrar for the Bonds and will cause notice of any change of registrar to be mailed to each registered owner.

IT IS HEREBY certified, recited and covenanted that this Bond has been duly and validly issued and delivered; that all acts, conditions and things required or proper to be performed, to

exist and to be done precedent to or in the issuance and delivery of this Bond have been performed, exist and have been done in accordance with law; that the Bonds do not exceed any constitutional or statutory limitation; and that annual ad valorem taxes, within the limits prescribed by law, sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in the County and have been pledged irrevocably for such payment.

IN WITNESS WHEREOF, this bond has been signed with the manual or facsimile signature of the County Judge of the County and countersigned with the manual or facsimile signature of the County Clerk, and the official seal of the County has been duly impressed, or placed in facsimile, on this bond.

20. Interest and Sinking Fund; Tax Levy. A special fund to be designated “Hidalgo County, Texas Limited Tax Refunding Bonds, Series 2019B Interest and Sinking Fund” (the “Interest and Sinking Fund”) is hereby created, and the proceeds from all taxes levied, assessed and collected for and on account of the Bonds authorized by this Order shall be deposited, as collected, in the Interest and Sinking Fund. Money on deposit in the Interest and Sinking Fund may, at the option of the County, be invested as permitted under Texas law, provided that all such investments shall be made in such manner that the money will be available at the proper time or times. For purposes of maximizing investment returns, money in the Interest and Sinking Fund may be invested with other money of the County in common investments, or in a common pool of investments, which shall not be deemed to be or constitute a commingling of such money as long as safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by the Interest and Sinking Fund are held by or on behalf of the Interest and Sinking Fund. Money in the Interest and Sinking Fund may, to the extent necessary, be used to make any required payments to the federal government under the Code to assure that interest on the Bonds is excludable from gross income for federal income tax purposes.

While the Bonds or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other County taxes are assessed, levied and collected, in each year, beginning with the current year, a continuing direct annual ad valorem tax upon all taxable property in the County, within the limits prescribed by law, sufficient to pay the interest on the Bonds as the same becomes due and to pay each installment of the principal of the Bonds as the same matures (but never less than 2% of the original principal amount of the Bonds in any year), full allowance being made for delinquencies and costs of collection. Such taxes are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds

21. Sale; Bond Purchase Contract; Official Statement Approval; Ratings. (a) The Bonds are hereby sold and shall be delivered to Wells Fargo Securities, Frost Bank, and Siebert Cisneros Shank & Co., LLC (the “Initial Purchasers), at a price of \$24,549,350.75, computed as (a) \$20,645,000 in principal amount, (b) plus a net premium of \$4,006,678.35, and (c) less the underwriter’s discount of \$102,327.60, in accordance with the terms of the bond purchase agreement presented to and hereby approved by the Commissioners Court, in substantially the form attached hereto as Exhibit “C”, which price and terms are hereby found and determined to be the most advantageous reasonably obtainable by the County. Accrued interest will be deposited into the Interest and Sinking Fund. The County Judge and other appropriate officials of the County are hereby authorized and directed to execute such bond purchase contract on behalf of the County, and the County Judge and all other officials, agents and representatives of the County are hereby authorized to do any and all things necessary or desirable to satisfy the conditions set out therein and to provide for the issuance and delivery of the Bonds.

(b) The County hereby approves the form and contents of the Preliminary Official Statement, and the final Official Statement, dated as of the date hereof, relating to the Bonds, and any addenda, supplement or amendment thereto, and ratifies and approves the distribution of such Preliminary Official Statement and Official Statement in the offer and sale of the Bonds and in the reoffering of the Bonds by the Purchasers, with such changes therein or additions thereto as the officers executing same may deem advisable, such determination to be conclusively evidenced by their execution thereof. The County Judge is hereby authorized and directed to execute, and the County Clerk is hereby authorized and directed to attest, the final Official Statement. It is further hereby officially found, determined, and declared that the statements and representations contained in the Preliminary Official Statement and final Official Statement are true and correct in all material respects, to the best knowledge and belief of the Commissioners Court.

22. Tax Exemption. (a) General Tax Covenant. The Issuer intends that the interest on the Bonds shall be excludable from gross income for purposes of federal income taxation pursuant to Sections 103 and 141 through 150 of the Internal Revenue Code of 1986 (the "Code") and applicable regulations. The Issuer covenants and agrees not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation. In particular, the Issuer covenants and agrees to comply with each requirement of this Section; provided, however, that the Issuer shall not be required to comply with any particular requirement of this Section if the Issuer has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or if the Issuer has received a Counsel's Opinion to the effect that compliance with some other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in this Section. In the event the provisions of the Code are amended, or new regulations or rulings are promulgated or issued thereunder, such that requirements in addition to those stated herein become applicable to the Bonds, the Issuer covenants to comply with such additional requirements to the extent necessary to prevent any adverse effect on the exclusion of interest on the Bonds from gross income for federal income tax purposes.

(b) Use of Gross Proceeds. The Issuer covenants and agrees that its use of the "Net Proceeds" (as hereinafter defined) of the Bonds will at all times satisfy the following requirements:

(i) The Issuer will deposit cash in the amount of \$550.28 to the escrow and use proceeds of the Bonds in the amount of \$24,666,635.94 to purchase Open Market Securities, deposited to the escrow to refund the Refunded Obligations.

(ii) The Issuer will use a portion of the Net Proceeds to pay the costs of issuing the Bonds.

(iii) The Issuer has limited, with respect to the Refunded Bonds, and will limit the amount of original and investment proceeds of the Refunded Bonds used (other than use

as a member of the general public) in the trade or business of any person other than a governmental unit to an amount aggregating no more than ten percent of the proceeds of the Refunded Bonds ("private-use proceeds"). For purposes of this Section, the term "person" includes any individual, corporation, partnership, unincorporated association, or any other entity capable of carrying on a trade or business; and the term "trade or business" means, with respect to any natural person, any activity regularly carried on for profit and, with respect to persons other than natural persons, any activity other than an activity carried on by a governmental unit.

(iv) The Issuer has not permitted, with respect to the Refunded Bonds, more than five percent of the Net Proceeds of the Refunded Bonds to be used in the trade or business of any person other than a governmental unit if such use is unrelated to the governmental purpose of such Bonds. Further, the amount of private-use proceeds of the Refunded Bonds in excess of five percent of the Net Proceeds of the Refunded Bonds ("excess private-use proceeds) did not and will not exceed the proceeds of the Refunded Bonds, expended for the governmental purpose of the Refunded Bonds.

(v) The Issuer, with respect to the Refunded Bonds, has not permitted an amount of proceeds of the Refunded Bonds exceeding the lesser of (a) \$5,000,000 or (b) five percent of the Net Proceeds of the Refunded Bonds to be used, directly or indirectly, to finance loans to persons other than governmental units.

When used in this Section, the term "Net Proceeds" of the Refunded Bonds shall mean the proceeds from the sale of the Refunded Bonds, including investment earnings on the proceeds of such issue, less accrued interest with respect to such issue.

(c) No Federal Guaranty. The Issuer covenants and agrees not to take any action, or omit to take any action within its control, that, if taken or omitted, respectively, would cause the bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code and applicable regulations thereunder, except as permitted by section 149(b)(3) of the Code and such regulations.

(d) No-Arbitrage Covenant. The Issuer shall certify, through an authorized officer, employee or agent, that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the Issuer will reasonably expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of section 148(a) of the Code and applicable regulations thereunder. Moreover, the Issuer covenants and agrees that it will make such use of the proceeds of the Bonds (including interest or other investment income derived from Bond proceeds), regulate investments of proceeds of the Bonds and take such other and further action as may be required so that the Bonds will not be "arbitrage bonds" within the meaning of section 148(a) of the Code and applicable regulations thereunder.

(e) Yield Reduction Payments. The Issuer covenants to make yield reduction payments to reduce the yield in the escrow under the provisions of Regulation Section 1.148-5(c) to avoid

causing the Bonds to be arbitrage bonds. The Yield reduction payments have been calculated by the County's financial advisor.

(f) Arbitrage Rebate. The Issuer will take all necessary steps to comply with the requirement that certain amounts earned by the Issuer on the investment of the "gross proceeds" of the Bonds (within the meaning of Section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the Issuer will (i) obtain information and maintain records regarding the receipt, investment and expenditure of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds and to identify the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the Issuer allocable to other bond issues of the Issuer or moneys which do not represent gross proceeds of any bonds of the Issuer, (ii) calculate, at such times as are required by applicable regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government and (iii) pay, at such times and in such manner as required by applicable regulations, all amounts required to be rebated to the federal government. Further, the Issuer will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The Issuer covenants and agrees to file or cause to be filed with the Secretary of the Treasury, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and applicable regulations thereunder.

23. Redemption of Refunded Obligations. The Issuer hereby irrevocably calls the following bonds for redemption prior to maturity on the date set forth below, and authorizes and directs notice of such redemptions to be given in accordance with the orders authorizing the issuance of such bonds:

24. Amendments. The County may amend this Order without the consent of or notice to any registered owners in any manner not detrimental to the interests of the registered owners, including the curing of any ambiguity, inconsistency, or formal defect or omission therein. In addition, the County may, with the written consent of the holders of a majority in aggregate principal amount of the Bonds then outstanding affected thereby, amend, add to, or rescind any of the provisions of this Order; except that, without the consent of the registered owners of all of the Bonds affected, no such amendment, addition, or rescission may (1) change the date specified as the date on which the principal of or any installment of interest on any Bond is due and payable, reduce the principal amount thereon or the rate of interest thereon, change the place or places at or the coin or currency in which any Bond or interest thereon, change the place or places at or the coin or currency in which any Bond or interest thereon is payable, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required for consent to any amendment, addition, or waiver.

(i) Nothing in this Section is intended, or shall act, to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(j) The Issuer has agreed to update information and to provide notices of certain specified events only as described above. The Issuer has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The Issuer makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Bonds at any future date. The Issuer disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its continuing disclosure agreement or from any statement made pursuant to its agreement, although the registered and beneficial owners of Bonds may seek a writ of mandamus to compel the Issuer to comply with its agreement.

(k) The Issuer may amend its continuing disclosure agreement from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, if (i) the agreement, as amended, would have permitted an underwriter to purchase or sell Bonds in the offering described herein in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the registered and beneficial owners of a majority in aggregate principal amount of the outstanding Bonds consent to the amendment or (b) any person unaffiliated with the Issuer (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the registered and beneficial owners of the Bonds. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the Issuer so amends the continuing disclosure agreement, it has agreed to include with the next financial information and operating data provided in accordance with its agreement described above under “Annual Reports” an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information and operating data so provided.

(l) During the last five years, the Issuer has complied in all material respects with all continuing disclosure agreements made by it in accordance with the Rule.
