ATTACHMENT A
Scope of Services

TxDMV will:

1. Place “flags” on vehicle records based on submission data received from Local Government containing “flag” request codes.

A flagged record will cause:

A. A “scofflaw” remark will be displayed on inquiry devices as part of the vehicle record when an inquiry is made on a “flagged” record.

B. The Registration renewal notices to be printed with a “scofflaw” remark so the Local Government may deny registration.

2. Remove “flags” from vehicle records based on submission data received from Local Government “clear” request codes.
3. Provide a report to Local Government showing successful “flag” and “clear” counts and errors after completion of the computer run.
4. Return to Local Government bad or corrupted data with no further action by TxDMV.

Local Government shall:

1. Provide CD-ROMs or e-mail attachments in accordance to TxDMV specifications (see attachment G), to TxDMV, for computer runs for flagging of vehicle records (“flag”) and removal of flags (“clear”). CD-ROMs shall be labeled externally with the type of run to be made (“flag” and/or “clear”) and the number of logical records.
2. Provide information contained on CD-ROMs or e-mail attachments with the county number, vehicle identification number (VIN), registration plate number, and “flag” or “clear” code.
3. Submit CD-ROMs or e-mail attachments to TxDMV from a single source within the Local Government, as approved by the commissioner’s court.
4. Understand that submission of CD-ROMs or e-mail attachments to TxDMV constitutes a certification that the Local Government has notified owners of vehicles whose records appear on the CD-ROMs or e-mail attachments that past due fines, fees, or taxes are owed to the Local Government.
5. Submit an application to establish the method of payment (see Attachment F), and establish an account prior to submitting requests for flagging of vehicle records.
6. Comply to and in accordance with Texas Transportation Code Title 7, Subtitle A, Chapter 501, Section 501.147, in which the Local Government shall honor the vehicle transfer notice. If a date exists in the “vehsolddate” (Vehicle Sold Date) field, a transfer notice has been submitted; therefore the registered owner on this record is no longer subject to civil and criminal liability on and after the vehicle sold date.

ATTACHMENT B

Budget

Fees for file submission and transactions shall be submitted to TxDMV in accordance with 43 TAC Chapter 207.

Payments should be made to the following address:

Texas Department of Motor Vehicles
Administrative Services Division
PO Box 5020
Austin, TX 78763-5020

A. If the Local Government chooses to submit their input file via CD-ROM, the attached "Account Information" form must be completed. The applicable payment shall be made each time a request to place or remove "flags" from motor vehicle records are submitted to TxDMV ("Pay Upon Request Account").

B. As an alternative, if the Local Government chooses to send their input file as an e-mail attachment, the attached "Account Information" form must be completed. The Local Government shall establish a non-interest bearing escrow account ("Prepaid Account") with TxDMV. Upon agreement between the Local Government, TxDMV and payment of applicable fees, as described below, TxDMV will establish an account in the name of the Local Government. Charges shall be deducted from the escrow account until the balance of that account reaches the minimum required balance for the Local Government, as determined by TxDMV and provided herein.

A deposit of at least \$500.00 must be maintained in a non-interest bearing escrow account. This initial deposit is to cover estimated service use. The escrow account shall be established with TxDMV prior to placing or removing "flags" from motor vehicle records for the Local Government. Payment of the deposit shall be made by check or warrant, payable to the "Texas Department of Motor Vehicles" and is due upon execution of this contract. The \$500.00 minimum balance to be maintained in the escrow account may increase depending on established monthly usage by the Local Government. When it becomes necessary to increase the Local Government's escrow account minimum balance, as determined by TxDMV, the Local Government agrees to pay the sum in increments of \$500.00. This additional funding is payable within fifteen (15) days from receipt of notification from TxDMV.

TxDMV will provide a statement to the Local Government which indicates the remaining balance in the Local Government's escrow account.

If the balance in the non-interest bearing escrow account falls below the \$500.00 minimum balance, TxDMV may suspend placing or removing "flags" from motor vehicle records for the Local Government until such time as a deposit is made by the Local Government, in an amount sufficient to increase the balance in the escrow account to the \$500.00 minimum balance.
