Hello Ms. Villarreal,

We have corrected Exhibit B with the following:

1. Changed the rate for floor flatness equipment from \$80 to \$150
2. Included the Project Engineer rate of \$125
3. Changed the rate for compression testing of mortar cube (ASTM C780 & C109) from \$15 to \$10

If you have any questions, please call me to discuss.

Thanks

Mr. Flores,

We found a clerical error on Exhibit B of the contract. The price given for the Floor Flatness Equipment on the contract has a rate of \$80 and in the work authorization it has a rate of \$150.

If the \$150 rate is the correct amount please provide the Revised Exhibit B of the contract so I may proceed to amend the agreement.

Thank you.
