RE: "Sole Source Declaration"- For Avenu Government System, LLC

---

In 2011 (AI-29328 11/01/11), Hidalgo County approved the agenda to exempt from Competitive bidding under 262.024(a)(7)(A) and b. declared ASC Government System, Inc. a sole Source and authority to purchase and enter into an agreement for "Product Support and Enhancement Program .

In 2015 (AI-49775 06/09/15) name change from ACS Gov't System to Xerox Corporation dba Xerox Gov't System which owns all the right to the juror software and will remain as a Sole Source with the continuation for the purchases of all future upgrades, software, maintenance-support, equipment and any related services with said declaration to remain and continue in effect unless revoked by Hidalgo County Commissioner's court.

In 2017 (AI-61873 10/10/17) name change from Xerox Corporation dba Xerox Gov't System to Conduent Gov't System, LLC and the continuation of the Sole Source for the purchases of all future upgrades, software, maintenance-support, equipment and any related services with said declaration to remain and continue in effect unless revoked by Hidalgo County Commissioner's court. Conduent Gov't System did complete the Acquisition thus allowing the continuation of the Sole Source as stated on the agenda.

2019 (AI-69637) Avenu and Conduent Incorporated ("Conduent") entered into an agreement for the purchase and sale of certain Conduent assets and entities. The final Purchase Agreement and Asset Contribution Agreement was executed on September 28, 2018. The Asset Contribution Agreement included the sale of some, but not all, assets held by the Conduent subsidiary known as Conduent State & Local Solutions, Inc. Avenu remains the owner of all the rights to the juror software. Therefore, Hidalgo County District Clerk requires the continued purchase of upgrades, software, maintenance-support and related services from AVNEU.

This declaration is to remain in force unless revoked by Hidalgo County Commissioners Court.
