Hi Sabrina – Arturo is in my office & we're discussing this request; and we talked with Jerry too.

For 2016, the last possible date is 06/30/19.

For 2017, at this time, we'll leave the end date at 06/30. If, at the end of June, you're still needing more time, we can adjust again. For now, we want to finalize the adjustment as is.

*As a reminder, see page 38 of the Guide to Grants for details. It refers to the Texas Administrative Code shown below.*

*Grantees must expend all outstanding liabilities no later than **the liquidation date of the grant period** specified in an original grant award or a subsequent grant adjustment. All payments made after the completion of the grant period must relate to **obligations incurred during the grant period**.*

Thanks.

Good afternoon Jerry,

Can you please call me when you may have a chance?

The HCSO would like to modify the request for an extension to the end of July instead of the end of June.

Respectfully,

Sabrina Rodriguez
