Mr. Lugo,

Please accept this letter as acknowledgement that the above-mentioned project as reach substantial completion as per the following:

A substantial completion walk-thru was held on April 9, 2019, where representatives from Hidalgo County Precinct 4, Castle Enterprises, LLC. and SAMES, Inc. were present. The inspection revealed that the project scope of work was substantially complete and in general accordance with project plans and specifications. Punch list items identified during the site visit were documented in writing to the contractor on April 10, 2019.
