Good morning:

Attached you will find the specifications for the above-referenced project for your review and approval. In regards to exempting these services, our legal department said that we would need to go out for proposals for this year, however, if HEB is the sole vendor submitting a proposal again this year we will be able to exempt the services for next year. I need the approval as soon as possible as I intend to place this item on the agenda of July 1st for approval to advertise. Please let me know if you have any questions or concerns.

Thank you,
Heidi
