Does your Local Agency need a mobile clinic (van or mobile unit) or vehicle (small SUV)? Please remember that your LA will need to be able to pay for all ongoing maintenance costs for the vehicle.

Yes

No

Vehicle Type

	Quantity
SUV	2
Conversion Van- Mobile Clinic	1
RV- Mobile Clinic	1

Please provide justification for the vehicle(s). If this vehicle is replacing another vehicle please describe how you plan to dispose of the current vehicle.

The SUVs would be utilized for WIC business for admin staff to travel to WIC sites and meetings. The conversion van would be utilized for Community events and as a back-up for when the mobile unit is under maintenance. The RV mobile unit would replace the current 2010 RV mobile clinic our agency has; the 2010 mobile clinic would follow the Hidalgo County Purchasing Department's guidelines for surplus of equipment/vehicles upon approval from the State Agency to dispose of it. Our agency also has a 2010 Ford Expedition we would dispose of, as well, should we receive the 2 SUV's. We would like to request that the new RV mobile clinic have a slide out to accommodate our participants. Thank
