Ms. Velasquez,

Our office has reviewed the professional service contract for appraisal services, specifically for services needed in Commissioner's Precinct No. 3. At this time our office approves as to the form of the contract as attached.

Please allow this form to serve as the template for any other professional appraisal services contracts. Mr. Vina and I have conferred on uniform language for "professional services contracts", and as such we will be forwarding other form contracts for architects, surveyors, and engineers, which may vary for each "profession".

Please let me know if you have any questions or concerns.

Respectfully,

Victor M. Garza
