Ms. Ramirez,

Our office would recommend that you seek approval from Commissioner's Court, on the next agenda to have the lead non-profit organization utilize the WIC Lactation Center, on the day and times referenced in your email, in recognition of World Breastfeeding Month, and for the purposes of recognizing of providing services (healthy snack recipes etc.) to participating members of the public. The organizations may have to demonstrate insurance coverage.

Please let me know if you have any further questions or concerns.

Respectfully,

Victor M. Garza

Ms. Ramirez,

Please prepare and submit an agenda item for Commissioners Court consideration and action. Additionally, please communicate with Mr. Armando Guzman (Chief Safety Officer - Safety Dept.) with respect to insurance requirements for ECI.

Good afternoon Mr. Guerra,

I spoke with Victor Garza regarding an event for World Breastfeeding Month that our Director, Esther Carrizales, from the Lactation Care Center would like to host at the Lactation Care Center on Friday, August 2nd from 12:00 pm to 3:00 pm. The event would be open to the public, and representatives from ECI would be there to discuss mental well being and ways for the postpartum mom to decrease anxiety levels, paced bottle feedings and identifying developmental milestones.

WIC staff would participate as well in providing healthy snack recipes/food demonstrations as well as information about WIC services.

Mr. Garza recommended approval from Commissioner's Court. He also mentioned ECI may need to demonstrate insurance coverage.

Please advise (insurance coverage).
