In the first line of the agreement please delete the word "corporation" and substitute "limited liability company". Also the Certificate of Insurance needs to be attached and reviewed.

Good morning Mr. Crain:

Attached you will find the contract with B2Z for on-call engineering services for your review and approval. I am sorry for the short notice, however, P4 is requesting this item be on Tuesday's agenda. I am working on one more that I will send you in a separate email shortly.

Thank you,

Heidi
