

2019-2020 4-H Ambassadors / County Council / Healthy Texas Youth Ambassadors

4-H Ambassadors

We would like to introduce the 2019-2020 4-H Ambassadors. The role of a 4-H Ambassador is to tell the 4-H Story and spread the word about the great things 4-H has to offer. The ambassador program gives youth an opportunity to gain a better understanding of their community and to practice public and communication skills.

County Council

Our Hidalgo County 4-H County Council are Youth Leaders for the County 4-H program. They are elected to their positions and meet once a month to plan County 4-H Events and discuss 4-H business on behalf of and for the youth.

Healthy Texas Youth Ambassadors

The Hidalgo County Healthy Texas Ambassadors are a group of carefully selected youth that represent Hidalgo County Healthy Texas programs that focus on food, nutrition, health and wellness. They are trained on food safety, nutrition and more. They help to educate their peers on how to live healthier lives.
