### Project Location: Hidalgo County Jail

701 E. Cibolo Rd  
Edinburg, Tx 78541

We propose the following: Stainless Steel Floor Drain Pan

- Fabricate a new drain pan using 16 ga (316 stainless steel) with welded seams.
- Drain pan is to be fabricated with same measurements as existing unit.
- Overall dimensions of drain pans: about 21' 6" long X 20" wide (as per existing sample )
- Drain pan will have about 1 ½" folded edges around the four sides of the pan. This is where the pan will seat on the floor.
- Drain pan will have three (3) drains that will connect to existing drain lines.
- We will have to bring existing drain pan to our shop to fabricate new one with same measurements.
- Deliver pan to facility included in quote
- Installation of pan not included in quote.

Total: \$6,235.00

Any modifications to electrical, plumbing or woodwork to be done by others.

Any additional requests will be quoted separately.
