Ref: Review of Monthly Fees Report and Supporting Documentation
For the month of June 2016

Dear Commissioner Cantu:

We conducted a limited scope review of the Precinct 2 Swimming Pool Monthly Fees Report and all supporting documentation for the month of June 2016 pursuant to Local Government Code §115.002(a) and (b). The objectives of the review were to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by Precinct 2 Swimming Pool on the Monthly Fees Report for the month of June 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts issued followed a sequential order.

- Reviewed *Cashier's Daily Close-Out Report/ Daily Remittance Forms* (Close-Out Report) to determine whether fees collected were properly accounted and deposited with the financial institution on a daily basis.
- Verified that the collections per the *Monthly Fee Report* agreed to total receipts issued and deposits made with the County Treasurer and the financial institution.
- Reviewed *Close-Out Report Forms* and *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the months of June 2016 were $298.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported. However, the system of internal controls for the collection and safeguarding of cash requires improvements as noted in the following observation.

**Observation No. 1:**
Receipts were not consistently issued in sequential order. According to staff, the receipts were not issued in sequence, in error.

The County Auditor's Office requires that receipts be issued in sequential order.

Failure to ensure that receipts are issued in sequential order may result in the loss of County funds.

**Recommendation:**
Management should ensure that receipts are issued in sequential order.

If you should have any questions please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651 or Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

## What is a Lease?

A lease is a contract made for the use of an asset. It is made between a lessor (the owner of the asset) and a lessee (the person who wants to use the asset).

You will hear the most about leasing houses and cars, but you can lease anything. Businesses routinely lease all sort of equipment, because the effect on the bottom line and on tax is favorable.

There is a considerable difference between leasing an asset and renting it. A lease contract is a strictly binding business agreement. The two parties make the agreement and neither one can deviate from its terms (without some very exceptional reason). Lease an apartment for three years, and you owe the rent on that apartment for the next three years month by month, and if you don't pay it, you will incur serious penalties.

This is very different from renting an apartment. Most rental contracts are covered by much more considerate terms for the tenant, who can move out early; arrange late payment in some cases, etc. That is why it is unusual for a landlord to lease an apartment to an individual – the laws covering rental contracts are better protection for both tenant and landlord. However, should a business seek an apartment to use, perhaps, for executives who visit the city from time to time, a leasing agreement might be favorable.

When agreeing to a lease, you will almost certainly be asked to make a deposit to cover risk of damages and non-payment. It should be clearly stated in the lease that the deposit is refundable.

## Leasing a Car

The most common form of leasing seen today is automobile leasing. This is not because leasing a car is cheaper than buying one – on the contrary, overall it's more expensive. But auto leasing has two principal benefits that make it very popular despite the expense: You can always drive a fairly new car, and it's always under warranty; and, for the same budget, you can often get a larger, more luxurious, better-equipped car.

When you lease, there are many factors to consider: The initial down payment, the amount of the monthly payment, the time of the lease (this is usually three years in the U.S., but it is possible to lease for six years), the mileage you can drive every year, etc.

Your monthly payment is based on the difference between the cost of the automobile ("transaction price" or its "capitalized cost") when it's new, and what the car is forecast to be worth at the end of the leasing period – this is called the "residual value." This difference is financed at a particular rate of interest which is sometimes called the "leasing rate. You may also have to put down a security deposit (this is usually one month's payment). There can be additional charges that the dealer may impose, so you should discuss all the financing carefully before agreeing to an automobile leasing contract.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

**Public Burden Statement**

We estimate that is will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. Washington, D.C. 20210

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

**Public Burden Statement**

We estimate that is will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. Washington, D.C. 20210

==========

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

---

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of

the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination

* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

## MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS:

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility.

**Requesting Price Adjustment:**

1. Upon written request of the Vendor to the Hidalgo County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

   - A vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.

   - The vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County. The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.

DRAFT

- No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.

- The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all.

- Orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

2. **Price Reduction:**
   Vendor shall notify the County at the time when the vendors' costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the vendor to notify the County of a decrease in costs for items and/or supplies, for which the vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the vendor the difference between the contract price and the price adjustment.

3. **Timeframe for Adjusted Price Increases:**
   Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.

4. **Allowable Review Periods**:
   Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

5. **Dollar Limit to Price Changes:**
   The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.

**MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS:**

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, unforeseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

**1. Requesting Price Adjustment:** Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

- A Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier=s advisory or notification to the vendor of the price changes.
- The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.
- The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.
- No price escalation will be authorized in excess of the amount of the increase referred to in the supplier=s notice.
- The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

**2. Price Reduction:** Vendor shall notify the County at the time when the Vendor=s costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.

**3. Time frame for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the Vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the Vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.

DRAFT

**4. Allowable Review Periods:** Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

**5. Dollar Limit to Price Changes:** The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.

**ADDITIONAL INFORMATION:**

All costs and expenses associated with the preparation and submission of bids shall be the responsibility of the bidder and no reimbursements for such charges or expenses shall be passed on to Hidalgo County.

Hidalgo County is requesting that any and all questions, inquiries, and clarifications regarding quotes, bids, proposals, or statements of qualifications be addressed to, Martha L. ## ***MARKET VOLATILITY AND UNIT PRICE ADJUSTMENTS:***

Hidalgo County recognizes that during periods of national crisis and unstable economic conditions, foreseen price increases might affect costs for goods and services contracted on an annual basis. The following procedure may be employed to mediate price volatility:

1) **Requesting Price Adjustment**: Upon written request of the Vendor to the County Purchasing Agent, the County may review evidence of prevailing industry-wide market conditions that warrant an adjustment in bid prices contained in the contract.

    a. Vendor must tie any price change clause to an industry-wide or otherwise nationally recognized index, or some other form of verifiable document. Such written request must be accompanied by a certified copy of the supplier's advisory or notification to the vendor of the price changes.

    b. The Vendor must put the Purchasing Agent on the mailing lists for such publications so that the Purchasing Agent can monitor said changes. Such membership shall be at no cost to the County.

    c. The County Purchasing Agent retains the right to determine whether or not such proposed price changes are in the best interest of the County.

    d. No price escalation will be authorized in excess of the amount of the increase referred to in the supplier's notice.

    e. The County may only grant a price increase if the evidence presented is deemed reliable. Should the County allow a price increase, the approved price change shall be honored for all orders received by the vendor or contractor after the effective date of such price change. Approved price changes are not applicable to orders already issued and in process at time of price change.

**2) Price Reduction**: Vendor shall notify the County at the time when the Vendor's costs for items and/or supplies reduce due to stabilization in the market at which time prices for items on this contract shall be reduced accordingly. Failure by the Vendor to notify the County of a decrease in costs for items and/or supplies for which the Vendor was granted a price adjustment, may result in immediate termination of this contract and the County shall not be obligated to pay the Vendor the difference between the contract price and the price adjustment.

**3) Time frame for Adjusted Price Increases:** Price increases are only valid for the quarter in which they are requested and approved. Prices shall return to the original contract price at the beginning of the following quarter unless a Vendor notifies the County in writing within ten (10) days of expiration of the quarter in which the price increase is in effect, that it desires to have the price increase continue or that the vendor is requesting a different price increase for the following quarter. Such request must be supplemented with sufficient justification to demonstrate that the price increase remains necessary. The County Purchasing

DRAFT

Department shall have sole discretion whether to grant the price increase extension. The County too, shall have discretion to unilaterally reduce, eliminate or extend a price adjustment to the vendor at any time upon written notice from the County to the Vendor demonstrating justification for such reduction, elimination or extension of the price adjustment.

4) **Allowable Review Periods**: Price adjustment reviews may only be requested by the Vendor on a quarterly basis. However, the County may at its own discretion, conduct temporary price adjustment reviews at any time. The County Purchasing Agent and/or the County Auditor reserve the right to audit and/or examine any pertinent books, documents, papers, records or invoices relating directly to the contract transaction in question after reasonable notice and during normal business hours.

5) **Dollar Limit to Price Changes**: The total increase in contract price shall not exceed twenty-five percent (25%) of the original contract price during the contract term.
