Please place the approval of this letter agreement between the County and HCID No. 9 on the next agenda for Commissioners Court under Precinct 1. Please check previous Commissioners Court agendas to determine whether this letter agreement has been previously approved. I do not recall that the agreement has been approved but I would feel better if you check. If you have any questions please call. Thanks.

Steve,

Good afternoon. I think these are the approved versions. If you agree, I'll get Randy to sign first then send to you.

Thanks.

Please send me the agreements along with the "side letters" we both approved. Is your client executing the agreements and the "side letter"?

Steve,

Good afternoon. Neither Randy nor I have the execution documents. Do you want me to print them or is that coming from you guys? It sounds like someone just needs to print and get a version signed. Please confirm how you'd like to proceed.

Thanks.

Matt

Matt: Do you have a status on the Mile 6 project documents. The engineers are getting antsy. Thanks.
