Erika,

1. I am sending back the revisions made to the CMAR letter with table of contents and Legal Notice. It now has the updated language we have been using **but will still need to be formatted by purchasing and updated to include the correct exhibits.**
2. Also, attached is the updated Exhibit "A" with corrected language. It too still needs to be updated as it has attachments from prior projects.
3. There are no issues with the Evaluation Form.
4. Bobby has provided Purchasing with an updated Exhibit "C" - insurance requirements page that should be replaced here.
5. There are no issues with the proposer's affidavit.
6. The RFQ Submittal Checklist will need to be updated when purchasing updates the legal notice and exhibit list so that they correspond.

We still need a contract document. Do you have that in word format?
Let me know. Thanks.
