State Of Texas |  
County of Hidalgo |

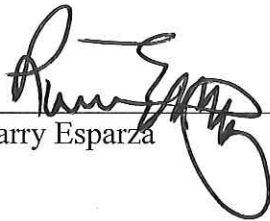

Before me, the undersigned authority, a Notary Public and in for the State of Texas, on the same date personally appeared Larry Esparza, Director, Public Defender's Office, who after being duly sworn, deposes and says:

My name is Larry Esparza and I am Director, Public Defender's Office at the Hidalgo County Public Defender's Office.

I am requesting that the Hidalgo County Commissioner's Court and/or the Hidalgo County Purchasing Department remove the items listed on Exhibit A, attached hereto, as inventory in this Department's possession. After exhausting all efforts to locate these items by the Purchasing Department, it has been determined that these items are no longer physically present in this Department or part of our inventory.

These items have been searched for by the Fixed Assets Division of the Purchasing Department with the assistance of Dagoberto Rios and this department. Together, we have reviewed our current inventory.

The above is true and correct to the best of my knowledge.

**AFFIDAVIT**

On this date, August 29, 2019, **LURIN YVETTE PACHECO**, was placed under oath and stated the following after being duly sworn:

"My name is, **LURIN YVETTE PACHECO**. I am over the age of eighteen, and I am competent to make this said affidavit. My date of birth is September 21, 1971. The statements contained herein are true and correct."

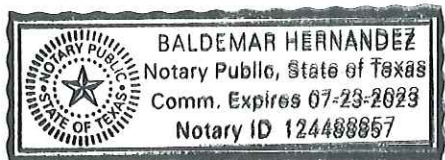

In 2006, I was issued a Dell-Latitude D610, P-M 770 Lap Top for official department use. Several years later when the lap top began to malfunction I contacted the IT Department to have it repaired; I can't recall the exact year or month this happened. The IT technician at that time advised me that the lab top had crashed and would need a new memory board in order for it to be operational again. Since the lap top was outdated the technician advised that it would be costly to purchase the necessary parts needed to get it functioning again. Due to budgetary constraints the parts were not ordered. The lab top was then returned to the office with its computer bag and placed into a black filling cabinet. I don't recall the year or month this occurred, all I know is that I do not have any lab top or equipment in my personal possession that belongs to the Hidalgo County Public Defender's Office.
