Yolanda/Marty,

Attorney/Client Privileged Communication*

I have a couple of concerns with the proposed engagement letter.

1. The termination language is not consistent with our specifications and needs to mirror the language attached.
2. The contract cannot be assigned without consent from the County, again, as per the specifications.
3. The County cannot agree to waive any conflicts as requested.

Finally, I see the bid package did not include any of the required language for federal award. Do you know what monies will be used to pay for these services?

Please do not forward this email to the vendor

Thank you,
