ATTORNEY CLIENT PRIVILEGED COMMUNICATION!

An Interlocal would not be appropriate as the County cannot enter into an agreement with itself. The individual offices do not have the authority to contract on their own. However, if the Sheriff would like to have an understanding with the separate constable's offices reduced to writing, we can work something out.

Good morning;

Attached you will find the contract documents provided by Spillman for the Maintenance/Updates for State Mandated NIBRS (National Incident-Based Reporting System) Compliance for review. Typically, on these types of projects, the county utilizes the MSA provided by the vendor. Mr. Salinas brought up a very good question. An Interlocal Agreement/MOU is required between the sheriff's department and each precinct constable. Do we need an Interlocal Agreement/MOU between each precinct? This project is well past the mandated compliance date, therefore needs to be on the agenda as soon as possible. Do not hesitate to contact me if you have any questions or concerns.

Sincerely,  
Heidi
