Ms. Velasquez,

The attached buyboard quote reflects a larger discount than the required 8% off List price required by Buyboard. We were able to use additional programs to give our governmental customers a better discounts besides the minimal requirements set by buyboard. Please call me if you have any questions.

Have a Safe Day.

Thank You,

My goal is to provide legendary customer service.

Did I earn a 10 today? Please share your feedback.

Rudy Solis
