Good Afternoon Ms. Vela,

From the information provided by Republic Services these documents are used to verify "billing and site information, as well as site contact person and services". As discussed, these documents are approved as to form to the extent that it is a verification the same.

It is recommended to place the item on the Commissioner's Court Consent Agenda, and to reference on the agenda that the agreements are being submitted for consideration due to the City of Elsa's notification regarding a change in its contracted waste collection service provider and the provider's necessity to verify certain information to maintain service. Further, it is recommended to indicate that the appropriate Health Department and WIC representative be authorized to sign the agreement on behalf of the County.

Please let me know if you have any questions.

Respectfully,

Robert Viña III
