Dear Commissioner Cantu:

We have completed our review of the bid package and analysis that was included with the Hidalgo County letter dated September 25, 2019 and do concur with awarding the contract to Earthworks Enterprise, LLC with their low bid amount of \$16,519,063.02. Hidalgo County may now award the contract and move forward with construction operations.

Francisco Cantu, P.E. out of the Pharr Area Office will continue to serve as our construction project manager and your point of contact from this point forward. Please work directly with him to ensure all requirements are met for you to receive the federal/state funding participation outlined in the Advance Funding Agreement. In addition, and as a reminder, the local government construction procedures that Hidalgo County will need to follow can be found at <http://www.txdot.gov/government/processes-procedures/lgp-toolkit.html>.

If you have any questions, feel free to call me or our Advanced Project Development Director, Norma Y. Garza, P.E. at (956) 702-6180.

Sincerely,

DocuSigned by:
