RE: Extension of 2017 HOME Contract

Dear Ms. Serna,

I am writing you to request a six (6) month extension for our HOME 2017 grant that is due November 14th of 2019. This will give us a new due date of May 14th, 2020. We have four active projects in progress, three in Hargill and one in Palmview. The house in Palmview is past 50%, the Hargill lots are ready for the rbar inspection.

We had hoped to meet our original deadline, however all three families in Hargill that we had identified pulled out and we had to qualify three more. The weather has been an issue in pouring the slabs. We lost the general contractor who had won the bids previously and had to advertise and procure another contractor. Hopefully, barring any other weather surprises, the homes should be done before Thanksgiving.

Thank you for your support of the programs at Proyecto Azteca. You and your staff are the best!

Peace and all good things,

Ann Williams Cass
