Terms and Conditions:

You must reference the Order Number above on your purchase order to secure best price. Action Target reserves the right to adjust installation costs based upon the actual site conditions encountered. Unless explicitly itemized, price does not include taxes, bonds, fees, assessments, licenses, mandatory wage requirements or other regulatory costs which may be applicable to the job site.

Comments:

Range refurbishment of targets and runners. The maintenance and repairs to the knee wall will be done by the customer. (2-TCT ver 2, 30 Turnacs, Steel knee-wall)

NOTES:

Owner/Contractor responsible for the following:

- 1) All cement slabs per Action Target plans.
- 2) All buried PVC lines with pull strings per Action Target plans.
- 3) A storage/control shed for controls and air compressor. This can also be the bottom floor of a Range Tower. Room needs to be approximately 8' x 10' with Louver Vents. Does not include any Range Tower Repairs.
- 4) We will reuse all of the current knee-wall except for the wood.
- 5) All permits, licenses, special fee's, bonds, union wages, special insurances, taxes, etc.
- 6) Equipment off-loading at the range.
- 7) All dirt work including dirt berms.
- 8) All electrical hook-ups, J-boxes, outlets, conduit per Action Target plans.
- 9) ATI is not responsible for the following: ATI system parts, devices, air compressors, or structures that are damaged due to accidents, normal wear and tear, abuse, negligence, acts of God, absence of recommended cleaning, lubrication, absence of recommended preventative maintenance, and ballistic damage (due to inappropriate ballistic application).
- 10) Price does not include any dumpsters or removal of any hazardous materials.
- 11) Only standard Action Target equipment is quoted. No customization is included.

A final review of plans and scope of work needs to take place prior to accepting any order.

- * Labor Rates include all labor, travel, lodging, and other expenses.
- * Range must be cleaned prior to the Tech's arrival for service.
- * Please email pictures of the range and equipment to rivie@actiontarget.com prior to visit.

Other Exclusions:

Structural Design or Engineered and Stamped Drawings. (Engineering is not required for this project.)
Site Preparation - such as Concrete: including cutting, coring, and patching, Field Painting, any Site Utilities, or Waste Disposal.

Parts: Unless included with this proposal (and specifically called out), all parts used during maintenance visits are extra. Parts will not be used or ordered without approval from the facility personnel. ATI will utilize spare parts the facility has on hand to accomplish minor repairs. Should a subsequent extra visit be required to install ordered parts, additional charges will be incurred.

Scheduling: Please call ATI to request a date for the visit allowing for at least 12 weeks lead time. A visit occurring with less lead time may incur additional travel charges.

Lead Remediation: Unless incorporated specifically into this proposal, ATI is not responsible for cleaning the facility of lead. The facility is responsible for disposal and recycling of lead and waste from House keeping services.

Use or Disclosure Statement: Any and all information and data contained herein is the property of Action Target Inc (ATI); and shall not for any reason, whether tangible or intangible, be disclosed, duplicated, or used, in whole or in part, for any reason other than to evaluate this quote.

Fax this signed proposal to 801-377-8096 to begin scheduling your maintenance visits, or mail it to: Action Target / ATTN: Maintenance Plans / PO Box 636 / Provo, UT / 84601

Contact Rick Ivie at 801-705-9133 or email at rivie@actiontarget.com with additional questions or for more information.
