**d) Regulated Entity Number**

A regulated entity number (RN) is issued by TCEQ to each site where an activity occurs that is regulated by TCEQ. This is not a permit number, registration number, or license number. Search TCEQ's Central Registry to locate your regulated entity number at: <http://www15.tceq.texas.gov/crpub/>

## **Section 4. Reason for Waiver**

Select the reason you are requesting a waiver from electronic reporting.

## **Section 5. Certification and Signature**

Enter the name and title of the applicant that is requesting the electronic reporting waiver.

Read and select yes to each of the certification statements.

Sign and date the application form. Please use blue ink.

In accordance with 30 Texas Administrative Code §305.44 relating to Signatories to Applications, all applications shall be signed as follows:

For a corporation, the application shall be signed by a responsible corporate officer. For purposes of this paragraph, a responsible corporate officer means a president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation; or the manager of one or more manufacturing, production, or operating facilities employing more than 250 persons or having gross annual sales or expenditures exceeding \$25 million (in second-quarter 1980 dollars), if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures. Corporate procedures governing authority to sign permit or post-closure order applications may provide for assignment or delegation to applicable corporate positions rather than to specific individuals.

For a partnership or sole proprietorship, the application shall be signed by a general partner or the proprietor, respectively.

For a municipality, state, federal, or other public agency, the application shall be signed by either a principal executive officer or a ranking elected official. For purposes of this paragraph, a principal executive officer of a federal agency includes the chief executive officer of the agency, or a senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., regional administrator of the EPA).
