Greetings,

I am writing this letter to state that Izaguirre Septic Tanks is willing to donate a septic tank and the installation work to install the septic tank at the Hidalgo County Precint 4 Brush Center located on the corner of Terry Road and Davis Road.

I am asking for the Precint to provide a backhoe and a backhoe operator to assist with the installation. The estimated value of the donation (including supplies, labor, and additional equipment) is totaling in \$1,600.00.

Izaguirre Septic Tank will have a representative on site during the duration of the project.

Thank You,

Anicut Izaguirre
